THE MEN BEHIND
They Are Worthy of You

FOR STRENGTH, character and dependability, the depositors of a bank must rely on its management — the men behind the bank.

of \$30,000.00, to one of Illinois' s financial institutions with a capital of \$500,000.00).

During that period the bank has a share to the development of the city. It has its soundness or integrity and never has it failed to meet the demands of its depositors, and at no time was financial aid given to any deserving applicant.

The men presented here, with experience in the community, are giving their time and talent to the benefit of their community, and they invite you to make this institution your banking home.
