

H. P. CHURCH MARKS 40TH ANNIVERSARY

(Continued from page 3)

tend a temporary call to his father, the Rev. J. Adam Detzer, Sr., who was to organize the congregation, build a church, and instruct a confirmation class. In November 1890 he came to Highland Park and went to work energetically. In two months he had the congregation organized, in six months the church built and the first class confirmed. Having completed his task the congregation requested him to remain as their resident pastor.

Rev. A. Baumann
1900 to 1905

Rev. Baumann, the third pastor, is still held in remembrance by many members. During his pastorate the present parsonage at 45 N. Green Bay road was built in 1901. Under his guidance the parochial school flourished, being attended by 41 pupils in 1901. After serving here 5 years he accepted a call to Elmhurst, Ill.

Upon his departure the congregation called several pastors in vain, until they persuaded the Rev. Alvin Starck of Clay Center, Neb. to come. He was installed on January 28, 1906 by Rev. Baumann. Remaining here but four years he followed a call to Bergholz, New York in December 1910.

On the 19th of March 1911 the Rev. W. F. Suhr of Hood River, Ore., was called as his successor and installed on May 21. He remains the pastor up to the present time.

Rev. W. F. Suhr
Since 1911

During these 40 years much history has been written into the church records and the minutes of the congregational meetings. The Ladies' Aid was organized on November 20, 1896, and has always been active in benevolent work. A young people's society, called the Luther League, was organized December 18, 1912 to provide wholesome amusement for its members. In 1916 another organization of young women, known as the Dorcas society, began its activities. Throughout these years these societies have been active and accomplished much good.

When the congregation was organized it had sixty communicant members. Many of these have gone to their eternal reward, the charter

members remaining with us to celebrate the 40th anniversary are: Mr. and Mrs. Gottfried Arnsward, Mrs. Ed Eichler, Mr. Ernst Garling, Mrs. Auguste Arnsward, Mrs. Chas. Geminer, Mr. Fred Krueger, Mr. Otto Lawrentz, Miss Anna Ohlwein, Mrs. Minna Quadt, Mr. Fred Rudolph, and Mr. and Mrs. Chas. Wetzel.

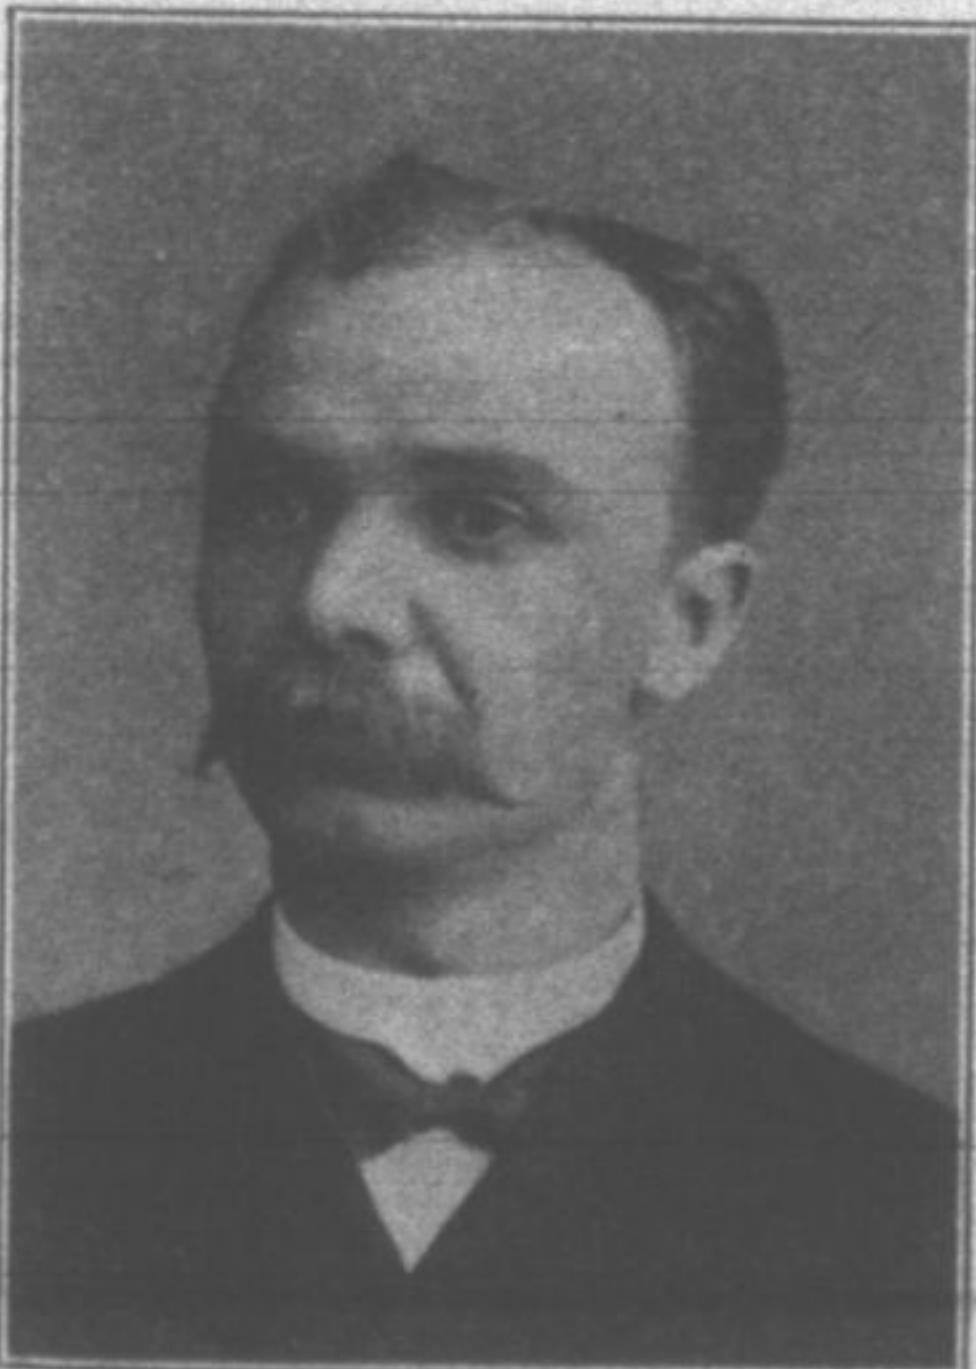

The growth of the church has been slow but steady. At the present time 290 souls belong to the church, of whom 175 are communicant members.

There will be but one service commemorating this 40th anniversary, namely at 10:30. The Rev. G. Chr. Barth, president of Concordia college, Milwaukee, Wis., will deliver the jubilee sermon. In the evening on Sunday there will be an informal gathering in the assembly room in honor of the charter members. The pastor and others will relate incidents of the history of the church, after which the Ladies' Aid will serve light refreshments.

Rev. J. Adam Detzer, Sr.
1890 to 1897

Rev. Detzer was a unique character, a circuit rider of the olden days. Beginning his ministry in 1842 he was a worker in the home mission field, who during his long service in the ministry gathered together and organized 28 congregations in Ohio, Nebraska, and Illinois. While he was in Highland Park he was privileged to celebrate his 50th anniversary in the ministry.

Rev. A. F. Sallman
1897 to 1900

For seven years Rev. Detzer served this congregation and then resigned on account of old age. The second pastor was the Rev. A. F. Sallman, who was installed June 20, 1897. Under his guidance the congregation flourished. He conducted a Christian Day school, which existed from 1898 unto 1910. It became noticeable that his health was being undermined. Tuberculosis had set in, and in October 1900 he passed away. His funeral service was conducted in the church, and his body laid to rest at Waldheim cemetery in Chicago.

New Spring Vegetables

In the spring, new, fresh vegetables take our "fancy". Our stores offer you the new season's finest selection of fresh, crisp vegetables at the lowest prices ever known at this early season of the year. Let them make your meals more appetizing and so much more healthful.
