

FORD BRAKES ARE UNUSUALLY EFFECTIVE

*Reliability and safety
due to simple design and
careful construction*

ONE OF the first things you will notice when you drive the Ford is the quick, effective action of its four-wheel brakes.

They are unusually safe and reliable because they are mechanical, internal expanding, with all braking surfaces fully enclosed. This prevents mud, water, sand, etc., from getting between the band and drum and interfering with brake action.

Other outstanding features of the Ford are the Triplex shatter-proof glass windshield, four Hou-daille double-acting hydraulic shock absorbers, aluminum pistons, torque-tube drive, more than twenty ball and roller bearings, Rustless Steel, reliability, economy, and long life.

You save when you buy the Ford and you save every mile you drive.

Mt. Holyoke College Club Meet; Glencoe Is Place, May 9, Date

The annual meeting of the Chicago Mount Holyoke college club which will conclude activities of the organization for the season will be held in Glencoe, Saturday, May 9.

The program will open with a business meeting and luncheon at Skokie Country club. Mrs. George P. O'Brien, president, and Louise Baethke, program chairman, are in charge of arrangements. Business at the meeting will include election of officers and passing of a resolution of congratulation for President Mary E. Woolley of Mount Holyoke, who will serve as the only woman among a group of distinguished educators on the laymen's foreign missionary inquiry, to regulate the missionary fields in China, India and Japan.

After luncheon members will adjourn by automobile to the home of Mrs. Homer Horton, 343 Green Bay road, Glencoe, for a garden party. The tulips of the Horton garden should be in bloom for the affair, and guests will also make a side trip to the rock garden of Mrs. Carl S. Miner, 344 Palos road, Glencoe. Mrs. George Spaulding of Glencoe is in charge of arrangements for the garden party.

More Than Half Taxes In County Are Unpaid May 1 Official States

More than half of the taxes in Lake county were still unpaid when the May 1 deadline for payment without penalty was reached.

It was estimated by County Treasurer Jay Morse that more than \$3,700,000 out of a total of \$6,087,000 was still unpaid. This is only about 40 per cent of the total.

County officials regard this as a serious situation and are urging those who can possibly do so to speed up payments.

At this time last year over \$4,000,000 had been turned into the county treasurer, it is said. Delinquent taxpayers are required to pay only 1 per cent penalty during the next month.

Among the delinquents are many owners of lots in the subdivisions throughout Lake county, it is said. It is anticipated that considerable property will have to be sold for taxes this year, according to those familiar with the situation.
