

### STUDENTS STUNTS SENSATIONALLY NEW

#### Judges Announce the Lucky Winners in Final Try-outs

With work progressing rapidly, the fifth annual "Student Stunts," which will be held May 22 in the auditorium, promises to be the biggest and finest of similar shows ever presented at Deerfield.

There will be spotlight features, scene features, three dramatic skits, and a finale in the first part. The second part will be composed of exhibition work with a theme song running throughout.

Two things that will make this "Student Stunts" entirely different from any other are the theme song and the modernistic decorations.

The theme song will be written by an outsider, but it is hoped that in the future, music for the entire program will be composed by people in school.

The decorations will be modernistic in design with a color scheme of blue, black, and silver. Advertisements also will be carried out in modernistic designs.

A poster design contest is now being held to choose the best idea to be put on all the "Student Stunts" posters. The contest is for Miss Kerfoot's art students.

A committee composed of teachers and parents will select the winning poster from those submitted.

Such old favorites as Dubby Peterson, Jim Butterworth, and Jim Ewell will be on hand, each with a new bag of tricks.

Le Baron's orchestra, composed of Frank Von Geysso, George Meyer, Bob Williams, Orvo Helander, Paul Dinkeloo, and Edgely Todd, has been chosen to play the latest hits in popular music.

### High School Golf Team Wins First Two Games

Playing over the Deerpath golf course, the Deerfield-Shields golf team won their first match of the year 12-6 from Lake Forest academy. The members of the team are R. Saielli, W. Geary, O. Saielli, R. Cary, A. Wolak, J. Lenzini, R. Saielli and W. Geary lost their matches to two very able Lake Forest golfers. The other Deerfield boys won to give Deerfield a 12-6 edge. The putting over the rough uneven greens caused our boys a great deal of trouble, especially Saielli and Geary who had a number of 3 putt greens.

The prospects for this year's team are the best in years, it is said.

Deerfield-Shields golf team won their second match of the year by defeating Waukegan 14-1 at Waukegan. This was Deerfield's second win in two matches, they having won over Lake Forest academy 12-6 the day before. The points scored were R. Saielli 3, W. Geary 3; O. Saielli, 2; R. Cary, 3; A. Wolak, 3. The low scoring honors wound up in a tie with R. Saielli, W. Geary and R. Cary leading with 81's over the difficult par 75 Bonnie Brook country club.

### Bill to Reduce County Boards Facing Defeat

Senator Ray Paddock's bill to reduce the size of county boards of supervisors in counties having more than 100,000 in population, except Cook county, seemed doomed when Senator Richard Barr, Joliet, last week had it stricken from the calendar and referred to the license and miscellany committee.

Barr argued that the measure never had a committee hearing, and that it was brought to a reading without reference to a committee.
