Places Plot Above Cast of Film in Mapping Picture

Even a great emotional actress like Ruth Chatterton must take second place when John Cromwell, stage czar and screen director, turns to making a motion picture. Cromwell scrutinizes the story first, and, after that is established to his satisfaction, he then turns to the cast and the setting.

When John van Druten's story, "Unfaithful," written especially for Ruth Chatterton, was handed to Cromwell, the director put every thought of the star out of his mind and concentrated on the plot.

"Of course, we must have accomplished actors and actresses," says Cromwell, "but anyone who is a real artist develops to the heights of his talent under the influence of a strong play. The play is still 'the thing'."

"Unfaithful," starring Ruth Chatterton, is the first play Van Druten, recently enticed to Hollywood by Jesse L. Lasky, has written directly for the screen. Just as "Unfaithful" was being released to the public, Van Druten received word that his latest stage play, "After All," was to be produced in London.

The cast of "Unfaithful," in addition to Miss Chatterton, includes Paul Lukas, Paul Cavanagh, Juliette Compton, and Donald Cook, recently featured in three outstanding New York stage hits, "Paris Bound," "Half Gods," and "Rebound."

"Body and Soul" Is Dramatic Picture

One of the most intriguing and fascinating romances ever written is the basis for "Body and Soul," Fox Movietone picture. This production introduces Elissa Landi, a newcomer to American films in the leading feminine role, opposite the noted star, Charles Farrell. Miss Landi is a beautiful blonde and actress of rare ability.

girl accused of being a spy, she gives to her characterization simplicity, charm and understanding. She is especially convincing in her passionate, yet tender, love scenes with Charles Farrell. Farrell gives an inspired performance as the young American soldier who becomes enamored of the girl, who, later, involves him in a charge of espionage.

It would not be fair to divulge the plot, but suffice it to say at the final climax, the young lovers are cleared of the accusation.

The cast appearing in support of Farrell and Miss Landi is one of ability and balance. Humphrey Bogart, Myrna Loy, Donald Dillaway, Ian MacLaren, Pat Somerset, Craufurd Kent and Dennis D'Auburn all deserve credit for their splendid performances.

"Body and Soul" is one of the most dramatic pictures seen here in many a day. Alfred Santell directed.

Notable Cast Shown in Amusing Comedy Drama

When one wants a divorce one naturally seeks a lawyer—one who is willing to get the decision and not unwilling to accept a small fee. But if he happens to be your friend, then there is always the possibility that he may hinder your divorce rather than to help you to get it.

That is what happens to George Morris in "Divorce Among Friends." This amusing comedy-drama concerns a young married couple who after many squabbles, as often decide to part—though their decision is always forestalled.

George Morris is portrayed by James Hall while his wife is the lovely Irene Delroy. Lew Cody is the other man, Natalie Moorhead, the lovely blonde menace, Edward Martindel the lawyer, and Margaret Seddon the maid. Roy Del Ruth directed.

"Bad Sister"

Which is the Bad Sister? The answer to this question will be found on the screen when the famous Booth Tarkington story, which has been produced as a talking picture special, is shown here soon.

The two sisters of the story are played by Miss Fox and Miss Davis, both of whom are making their screen debuts in this production. The title of the picture is itself "Bad Sister," and audiences will have a chance to judge for themselves which one the title applies to.

The exceptional cast includes Slim Summerville, the famous comedian; Zasu Pitts, one of the screen's best known comediennes; Humphrey Bogart, Broadway stage player who recently has entered pictures and scored a great success; Charles Winninger, who came to the screen from the stage, and has been seen in many important roles; Emma Dunn, the former stage star; Bert Roach, a screen favorite, and little David Durand, whose work in the role of a mischievous boy is sure to create a sensation.
