

keep your kitchen
Free from Cooking Heat
cook with an
INSULATED
Heat Controlled
GAS RANGE

With summer will come hot, wearying hours in the kitchen . . . unless you have an **INSULATED, Oven Heat Controlled Gas Range** to keep heat in the oven and give you time to enjoy restful afternoons away from kitchen tasks. Buy your new gas range **NOW** and **SAVE \$10.00** by trading in your old cook stove.

Insulation

prevents oven heat from escaping into the room. When the heat is turned on there is no change in room temperature . . . no oppressive heat radiating from your range . . .

none of the discomfort and fatigue you feel if you use a cooking appliance which increases the heat in your kitchen.

Heat Control

assures correct temperatures for every food. It eliminates, as well, all necessity for your staying in the kitchen while foods are cooking. Every day a modern gas range will bring you hours of freedom from cooking cares. Foods may be placed in the oven and forgotten until time to remove them.

All of these advantages are yours at moderate cost. Come in or call . . . learn all the facts without obligation.

**EASY
TERMS**

Combined with reasonable price, **EASY TERMS** make it convenient for almost everyone to enjoy the benefits of cooking with a modern gas
