

## GARDEN FAIR, HELD SATURDAY, SUCCESS

Plans Carried Out in Rain and Shine; Many Attend; Contributions Welcome

It was announced that the Garden Fair, for the benefit of the Municipal Rose Garden, would be held Saturday May 9, "rain or shine." It was, and it was held in rain and shine. A little disappointed by the early down-pour, but not daunted, the Ravinia Garden club committees moved bag and baggage into the empty stores along Roger Williams avenue, instead of staying out in the park, as planned. The shrubs and garden furniture, bird houses and weather vanes lined the sidewalk, and the village had the gay and provincial look of Market day in some small foreign town.

In spite of the continued showers many of those interested in the Rose Garden came out and purchased generously of the lovely things that were on display. The results were most gratifying, and warranted the hard work that every committee had put in planning and preparing for the event. Enough funds were secured to plant about half of the Rose Garden this spring, and work will go forward immediately.

### Contributions Welcomed

The committee has been assured that many of those interested in seeing the Municipal Rose Garden established, were either unable to attend, or thought that the Fair would

## Annual Luncheon Held Tuesday Was Largely Attended

In spite of threatening weather, a remarkably large attendance assembled at the 17th annual luncheon of the North Shore Catholic Woman's League at the Deerpath Inn, Lake Forest, Tuesday last.

The blessing was invoked by the Reverend Harth after which a delicious luncheon was served.

Mrs. F. T. O'Brien, in her cordial way, reached guests as well as members in her words of welcome. She then appointed Mrs. S. J. Beach as toastmistress who entertained the guests with some amusing anecdotes. She then called upon Father Harth for an impromptu talk which was greatly enjoyed. In a charming manner, Mrs. O'Brien, the retiring president, thanked the club for their cooperation during her regime, pointing out to them the vast amount of work in store for them this year, which is necessary to keep up the standard set in the past.

Upon conclusion of her address, Mrs. O'Brien turned the gavel over to the new president, Mrs. William Schildgen of Evanston.

As a loving remembrance of recognition of her splendid work as president for the past two years, Mrs. O'Brien was presented with a handsome silver flower bowl. The meeting was adjourned for a pleasant afternoon of bridge.—Contributed.

## Broken Hydrant Causes Water Famine, Highwood

Chief Emil Lauridson of Highwood has been raiding speakeasies without number during the past week to make the city a model of temperance, but it remained for the city water department to make the town really dry last Sunday. The town was without water for nearly an hour.

A fire hydrant, snapped off at its base when struck by an automobile driven by Herbert Nunfi of Highland Park, was the cause of the drought. During the hour necessary for its repair, all water service in the city was cut off.

## Expect Notable Entries in North Shore Open at Sunset Valley Golf Club

Here is some news for the golf fans—the British Ryder cup and the Argentine golf teams are among the probable entries for the North Shore Open to be held Monday, July 6.

Jock Hutchinson

This event has become so well established and popular that inquiries come in from coast to coast.

We publish a picture of Jock Hutchinson who tied twice for the first prize and lost on the play off. Jock is a great golfer and an irreproachable sportsman. He has entered for this year's event.

The course is in wonderful condition, the recent rain having made it so.

## H. P. Crescents Trounce Lincoln Park Team in First Victory, 4 to 1

For five innings the rain failed to dampen the spirits of the Highland Park Crescents as they came through for their first victory of the year, a 4 to 2 win over the Lincoln Park Buccaneers.

Although the first five innings were played through a small drizzle, the game had to be called in the sixth due to a sudden rain storm. The playing field was also in terrible condition due to the wetness but the Crescents played faultlessly, making no errors.

### Three New Players

The Crescents have added three new players to their squad. Andy Anderson, Ed Casper, and Joe Grafft made their first appearance with the Highland Park outfit. Anderson as pitcher went the entire route allowing only four hits. Casper turned in a nice day's work on second base.

Highland Park's chances for a victory looked bright in the first inning when Abe Carr, the lead off man was walked. He advanced to third on sacrifices by Gerkin and Casper. Then Buck Taylor singled to bring Carr home for the first run. Red Therrien flied out to retire the side.

### Tie Score

Things looked dark for the Crescents when the Chicago team scored two runs in the second; but not for long as they came back in their half to tie the score. Ray Sheahan started it off with a single. He took second on a passed ball; and came home on Therrien's long single.

The winning runs were scored in the third and fourth innings. Gerkin opened the third with beautiful single to left field. As Taylor and Casper were being thrown out, he reached third. He was brought in on Therrien's long single.

### Anderson Scores

Anderson scored the final run after two were out in the fourth. He singled, and on a wild throw reached second. Then Abe Carr singled to bring him in. Gerkin flied out to end the inning.

Sunday the Crescents trained to Glenview to play their first out of town game. On the following week, they will again be on home ground when they tangle with Libertyville here. Don't forget the date, Sunday 26, 3 o'clock, at Sunset park.
