So that is how they work. Richard Rioux is busy manipulating the intricate strings of a marionette play character. We will see more of this interesting playfellow at "Student Stunts."

Y. W. C. A. Notes

"Camp Merry Days" is located at the same lake as last year but due to the large number of girls it has been found necessary to secure a larger camp site. The Association house has been obtained for this year's Y.W.C.A. camp, located at Druce lake, 10 miles west of Waukegan, Ill.

"Camp Merry Days" is a co-operative adventure. The camper contributes her share towards the responsibilities of the camp. The program is based on the idea that camp can be educational and character building as well as a glorious vacation.

"Camp Merry Days" has separate indoor sleeping lodges, dining and recreation hall. Counselor in charge of each lodge. Outdoor swimming pool, hot and cold showers being constructed on the camp grounds.

"Camp Merry Days" camp staff consists of Mrs. Lydia V. Hutton, general secretary and Mrs. Marion McManus, Girl Reserves secretary as camp directors, food director, physical director, swimming instructor, councilors and nurse will complete the camp staff.

"Camp Merry Days" is open to all girls of the community.

Girl Reserves, May 20, has been chosen for the lantern entertainment. Awards and bracelets will be presented at this time.

Japanese lanterns will be used for decorations. The entertainment will be in the Y.W.C.A.'s back yard. Each group is asked to take some part in the entertainment.

Save this date Girl Reserves and parents are asked to save it also, Wednesday, May 10, at 7:30.
