Summertime cooking has long been done in kitchens overheated to an extreme degree. Women... until now... have had to endure the intense discomfort and quick fatigue produced by the radiation of heat from their cooking appliances.

NOW... *Insulated*, heat controlled, gas ranges do away with sweltering kitchens. While you are in your kitchen with the oven turned on, no heat will come into the room. *Insulation holds all heat in the oven.*

Besides, you'll spend fewer hours in your kitchen, for the Heat Control frees you from oven

watching. Entire afternoons will be your's... yet, a meal cooked perfectly will be ready for your table at dinner time.

Have an Insulated, heat controlled, gas range installed in your home while you receive \$10.00 for your present cook stove. This offer is for a limited time... so BUY NOW to Save \$10.00... and insure cool kitchen hours this summer.

SMALL DOWN PAYMENT... balance in easy installments.
