

SUNSET VALLEY AND NORTH SHORE OPEN

Golf Course Well Patronized; Annual Event Is Big Feature of Season

There was a good turnout Sunday at Sunset Valley, 311 having registered to play. The course, however, was at no time crowded; in fact, Tom had very little to do in starting the players. The fine condition of the course made everyone happy.

The restaurant in the clubhouse is now under new management. Lower prices and better service prevail. Mrs. Richman is in charge, assisted by Mrs. Rudolph, formerly of Briergate Golf club.

A luncheon was served on Friday last to the officers of the ladies' Tee club, at which time the events for the year were discussed and a new schedule arranged.

To Send Invitations

Invitations will be sent out in the near future to all the women members of the club for the open luncheon. (Continued on page 50)

Field Club on Tuesday in Nature Study Trip

Sunrise on Tuesday morning, May 19, again saw the Field club abroad, in Swenny's woods.

This field club, composed of people interested in nature study, and sponsored by the Highland Park Recreational bureau, will meet every Tuesday morning at 6 o'clock.

The Recreational service of Highland Park is a branch of the Community service, recently organized for the benefit of the citizens of the community. In addition to these regular Tuesday morning trips, various interesting educational tours are to be sponsored by the organization in the near future.

In the first trip, which will take place in two or three weeks, the Indiana dunes will be visited. Luncheon reservations will be handled by Community service, and the trip will be made in a chartered bus. Reservations can be made at any time by applying at the recreation office.

Then, when the blossoms are in full bloom, the lotus beds in Grass lake will be the object of another trip. The longer tours will also be of a nature study character.

On the community playgrounds of Highland Park, guidance in nature study is to be included in the summer's program. Sunset park will have a nature museum as will the other parks, to some extent. Instruction in nature sketching is to be given as a part of the playground nature study course.

New Shoe Repair Store

Announcement is made of the opening of a new shoe repair store in Highland Park, Saturday, May 23. The new establishment will be known as the Manhattan Shoe Rebuilders. Mr. Senos, the proprietor, has planned a very interesting "free special" for the opening day, as outlined in the advertisement in another part of the paper.

Ravinia Section of Opera Club Planning Division of Territory

The members of the Ravinia Opera club for the village of Ravinia have planned the territory for the sale of subscription books as follows:

Mrs. David Clarke will cover Cary avenue from the bridge to Sheridan, Bronson lane to Roger Williams from Sheridan road to St. Johns avenue.

Mrs. L. Golden has Wildwood lane and Cedar street from Sheridan to St. Johns. Mrs. Carl Haessler has Cary avenue from the bridge to Dean and Dean avenue from Sheridan to Roger Williams. Mrs. W. K. Harrison will call on South and North Deere Park. Mrs. M. L. Hirsch has Sheridan road from Beach street to County line.

Mrs. Laurie has Woodland road, Oak and Ashland avenue.

Miss E. Robertson calls on Judson avenue and St. Johns from Roger Williams to Beach.

Mrs. Wilder has Rice street and Kincaid. Mrs. L. Keaster and Frank J. Horn will call at Braeside and west Ravinia.

We trust the village people will assist in the support of our wonderful opera.

Commercial Baseball League Being Planned

Plans of the Recreation division of East Park board for a commercial baseball league were discussed at a meeting in the Chamber of Commerce building at 7:30 last Tuesday.

Managers of teams desiring to enter the Commercial Twilight Baseball league will arrange a schedule in the near future. The games will be played from June 1 all through the summer to September. All games will be played at Lincoln park where the diamond is being put into excellent condition. The diamond is the regulation size for diamond baseball, the game to be played by the teams. There is a distance of forty-five feet between bases, half the size of regular baseball.

The games will be played on various days which will be determined at the meeting.

The grammar school league is now playing a regular schedule of games. The league is made up of the community schools. There will be a game at 4 on Wednesday between the Lake Forest and Oak Terrace schools. At 4 on Thursday, the Elm Place school will play the Immaculate Conception parochial school. Tilley Martin and Bob Anspach will umpire.

H. P. Cricket Club Wins Game Sunday

The Highland Park Cricket club won the game on Sunday, against the Internationals of Chicago. The only other game of the season so far, was played in Lake Forest Sunday, May 10. It was "called" on account of the weather and stood a tie at the time, so it will be played over. Highland Park has one definite victory so far and no defeats for the season. On Sunday, May 24, our local team will play Chicago in Chicago. Game is called at 1:30 p.m.

Identify Highwood Bank Robber in Chicago, But May Not Be Brought Here

Though two warrants charging Fred Berry with robbery and attempted robbery at the Highwood State Bank are in the hands of the Chicago police, State's Attorney A. V. Smith last week said there was little chance of getting Berry to Lake county to face the charges.

Former Chief of Police Walter Henderson swore out the warrants several weeks ago, according to Col. Smith, but the purpose of holding Berry to answer the charges in connection with the Highwood bank holdups. But State's Attorney John A. Swanson of Cook county has informed the local authorities that there were so many charges against Berry in that county that there is little chance of Lake county getting him.

Three employes of the Highwood bank, J. E. Enquist, cashier; Edgar Benson, assistant cashier, and Ernest Lencioni, teller, last week identified Berry as the bank bandit, Henderson told Col. Smith.

Crescents to Play Libertyville Here Sunday Afternoon

A very important baseball game will take place when the Highland Park Crescents tackle Libertyville's fast stepping ball club at Sunset park, Sunday afternoon, May 23, at 3 o'clock.

The locals will present a much stronger team than any placed on the field before; and several new players will make their first appearance on the home diamond. The starting battery for the Crescents will be either Anderson or Cayford on the mound and Carr or Gerkin behind the plate.

Although outitting the Waukegan Majors, one of Waukegan's best teams, the Crescents came out on the short end of the score. They nipped the Waukegan pitcher for ten hits and eight runs; while the Majors garnished only eight hits. But those hits mixed with many errors yielded them 14 runs. Another interesting fact was that Highland Park had 10 men stranded on bases to only five for the Majors.

The honors for the first eight innings had to go to Waukegan since they held the home town boys scoreless, while they scored their total number of runs; two in the first, one in the second, four in the third, four in the sixth, and three in the eighth.

Big Ninth Inning
Highland Park started to get into the game in the eighth inning. Becker walked. Casper and Taylor both flied out. Then Red Therrien smacked a long single that brought Becker all the way home. Koon was walked and Anderson was hit by the pitcher to fill the sacks. But the rally came to a close when the Waukegan shortstop got his hands on Graneau sharply hit ball to throw him out at first.

It wasn't till the ninth that the Crescents started its real fireworks. Four hits on the part of Anderson, Graneau, Gerkins, and Sorenson coupled with errors and wild pitches for Waukegan gave Highland Park seven more runs. Those who scored were Carr, Gerkin, Therrien, Koon, Anderson, Graneau, and Sorenson.

SALARY ORDINANCE IS BEFORE COUNCIL

Boosts Pay of Counsel and Cuts City Clerk's; Others Same; Action Next Week

At Monday night's meeting of the city council the annual salary ordinance was filed for inspection after first reading. It raises the salary of the corporation counsel from \$2,400 to \$5,000 and reduces the salary of the city clerk from \$6,000 to \$4,000. The ordinance probably will be up for passage at next week's meeting.

The plan is to unite all duties of legal nature under the job of corporation counsel, instead of having a special attorney for special assessment matters, as heretofore. No appointment has been made, but several names have been mentioned of probable appointees, among them E. S. Gail of Highland Park and Arthur Bulkley of Waukegan.

This appointment and others may be announced at the council meeting next week. Mayor Metzel has a number of things in mind, he admitted. Passage of the salary ordinance will be a step toward clarifying the situation, he said.

Assistant Police Chief

The position of assistant city marshal was provided for in the salary ordinance as filed for inspection, carrying a salary of \$2,800. The marshal will receive \$3,300, two sergeants \$2,400 each and officers from \$1,980 to (Continued on page 17)

Rachel Rudolph Dies Quite Suddenly Here; Other Deaths Reported

Miss Rachel Rudolph died quite suddenly Monday, at the home of her sister, Mrs. Filmore Evans, 603 Central avenue. She was 66 years of age and was born in Highland Park, a daughter of Mr. and Mrs. George Rudolph, pioneer settlers in this part of Lake county. She is survived by 13 brothers and sisters, and Chief of Police Jacob Rudolph of Glencoe is a half-brother.

The funeral service is held at 2 o'clock this afternoon, at the home of Mrs. Evans, and burial will be in Rosehill cemetery. The many friends of the family in the community extend sincere sympathy.

John W. McLaren

John W. McLaren, a former resident of Highwood, died Tuesday morning at the home of his daughter, Mrs. King, in Chicago, aged 83 years. He was a veteran of the Indian wars and of the Civil war. The funeral service was held at 11:30 a.m. today at H. F. Kelley's chapel, and burial was in the Fort Sheridan cemetery.

Mrs. Frank Curley

Mrs. Frank Curley of Highwood died suddenly of heart trouble Tuesday morning, at her home. She was 59 years of age and is survived by her husband and several children. The funeral service was held at 9 o'clock this morning, at St. James church, and burial was in the cemetery at Lake Forest.
