Things To Cook

The recipe which follows is for Ham Biscuits and I am suggesting fresh asparagus as an accompaniment. Fresh peas, carrots or green beans may be used instead of the asparagus, or a cream sauce with two or three tablespoons of chopped stuffed olives may be used.

Ham Biscuits

- 2 cups flour
- 4 teaspoons baking powder
- ½ teaspoon salt
- 4 tablespoons shortening
- ¾ cup milk
- 1½ cups chopped ham
- 6 tablespoons mayonnaise

Sift flour, baking powder and salt together, mix in shortening, add milk, as for any biscuits. Roll out to about one-quarter inch. Mix chopped ham with the mayonnaise and spread over the dough, roll up like a jelly roll, fasten edges together. Cut crosswise in about 12 biscuits, place cut side up on a well-greased pan or cookie sheet and bake in a 450 degree oven about 15 minutes, or until done and nicely browned.

Make a thin sauce, using two tablespoons butter, two tablespoons flour, two cups milk and season to taste. To this sauce add one and one-half to two cups of cooked fresh asparagus cut in pieces. Place biscuits on a large platter and pour the creamed asparagus over them.

If you have left-over chicken gravy, use this instead of the sauce, or chicken broth may be used for the sauce in place of milk. Sprinkle a little paprika over the sauce.

An interesting quartet from the Deerfield-Shields orchestra which will entertain Rotary at their regular meeting at the Moraine hotel next Monday noon. Janet Gaidzik, Helen Verwee, Jean Pettis, Jean Ericson are practicing a new selection on their bass viols. Mrs. Mannings, instructor, is the accompanist.

Art Department Is Holding Exhibition

The art department of the Deerfield-Shields high school has an exhibit of their work at the Linen Shop at 24 N. Sheridan road. The exhibit will be there until May 26. This is the same display that was exhibited at the Western Arts Association convention held in Louisville, Ky., April 28 to May 1.

Closing Exercises at Wilmot School

The eight pupils of the eighth grade of the Wilmot school took their final examinations, given by County Superintendent W. C. Petty, at Half Day, on Tuesday, May 12. Eighth grade pupils of five other nearby schools took the examination at the same time.

The commencement exercises of the Wilmot school will be held on the evening of Friday, May 29, at the school. The speaker for the evening is to be Lake county's new superintendent of schools, Mr. W. C. Petty. A very fine musical program is being arranged.

Violin Classes Hold Demonstration

The violin classes of Elm Place school, under the direction of Helen Mayer Mannings, held a demonstration in the assembly Monday. The classes played several numbers and each individual member played a solo, all from memory.

NOTABLE CEREMONY AT LAKE FOREST LIBRARY

Award Merit Certificates to Mechanics; H. U. Man Presides; Features

The Lake Forest Public Library was semi-officially dedicated on Monday evening, May 18 with an impressive ceremony conducted under the sponsorship of the Architects club of Chicago. The award of craftsmanship was given to 16 mechanics whose work on this building was outstanding in its excellence and qualified these men for a permanent place on the honor roll of superior craftsmen.

Less than a year ago the Architects club, whose president, Alfred Granger, is a well known and greatly respected resident of Lake Forest, conceived the plan of paying a well deserved tribute to those mechanics whose workmanship best lived up to the traditions of the middle century's spirit of the guilds. Only those buildings may qualify where the work has been inspected and approved by the Selection committee of the Architects club and only those men may earn the award who have done the most meritorious work in their particular trade. The first award was made on the Chicago Board of Trade building and subsequently deceased (Walter A. Strong) and the 124th Field Artillery Armory where Governor Louis L. Emmerson made the presentation.

H. P. Man Chairman

The meeting was called to order at 8 o'clock p.m. by R. Needham Ball of Highland Park, secretary of the Craftsmanship Award committee and with Mr. Granger, the active leader in the plan of recognition of the mechanics. Mr. Ball spoke briefly on the purpose of the award and related that this ceremony was the first to be given outside of Chicago and also the first library building to be selected for this honor.

Mr. R. J. McLaren, acting president of the Architects club of Chicago, spoke of the spirit of crafts-

Mrs. Marcusen Funeral Held Tuesday Afternoon

Selma Martha Grundler was born on the 28th day of April, 1896, at Oskalusa, Iowa. In the year 1920 she came to make her home in Highland Park, where she has lived all but the last two years. On July 19, 1929 she united in marriage with Mr. Viggo Marcusen, at the time of their marriage they moved to Waukegan where they have resided up to the present time. A little boy, Robert Kay, came to bless their home a little over a year ago.

Mrs. Marcusen became seriously ill a few weeks ago and was taken to the Highland Park hospital for treatment. For some time it was thought that she would recover, but on Sunday morning death claimed her life. She leaves to mourn her a baby boy, her husband, her father, five sisters, two brothers, other relatives and friends. The funeral service was held at the Kelley Chapel on Tuesday afternoon, with Rev. H. F. Siemsen officiating. Interment took place at the North Northfield cemetery.
