

**T**O many citizens of the North Shore and especially to our 25,000 customers, the State Bank and Trust Company is a friend, tried and proved through 56 years of partnership.

The record of the State Bank and Trust Company for safety and accomplishment is the foundation upon which rests the well-

deserved confidence of this community.

Public usefulness is the measure of a bank as shown by the number of people whose lives it touches, and the homes it safeguards.

This record is a constant spur toward increased co-operation with our patrons, and the citizens of Evanston and the North Shore.
