

BRIEF NEWS ITEMS FROM LAKE COUNTY

Happenings About This Part of North Shore; Doings at County Seat

Plans for a big pageant that will mark the third day of the proposed Lake County Trade Jubilee Week, on May 25 to 29 inclusive were being formulated by a special committee of the organization today.

The village of Barrington will spend more than \$5,000 shortly in building a fireproof addition to the present village jail, which has been the subject of several complaints by residents.

Street cars will operate on the County street section of the new loop in the business section of Waukegan by June 1, George Kenry, division superintendent of the North Shore line, stated last week.

Walter H. Nibelink, who has served as building commissioner for four years in Waukegan and who prior to that period held the position of city building inspector, tendered his resignation.

Insisting on more patronage on the board of review, due to the sweeping victory of Senator James Hamilton Lewis last fall, Democratic party leaders yesterday suggested to County Judge P. L. Persons that two of the three appointments go to the Democrats.

Perley W. Johnson, Barrington's "radio doctor," recently was found guilty on a charge of practicing medicine without a license by a county court jury that deliberated four hours.

Stanley August, 2914 Ridgeway avenue, Chicago, was ordered held to the grand jury for involuntary manslaughter and reckless driving by a coroner's jury which deliberated several hours last week over circumstances of the death of Mrs. Albert Hafer, 63, of Fremont, who was killed in a crash near Ivanhoe.

Practically complete plans for the Waukegan big Memorial day parade to be held in Waukegan on Saturday, May 30, were arranged at a joint meeting of all patriotic societies at Memorial hall last week. The affair promises to be the biggest of the kind ever held in the city.

A juvenile automobile theft ring operating in this city during the past few weeks was smashed last week with the arrest of five Zion youths who the Waukegan police charge with the theft of at least two cars, and possibly others. The two stolen cars attributed to the gang were recovered.

All Women Dismissed from Jury Service in Lake County Last Week

Women last week ended all official connection with the county as jurors when Circuit Judge Ralph J. Dady on his return from a fishing trip, dismissed all women called on the venire for his court.

The release of the women sent the bailiffs scurrying into the street to

locate men to replace the women on the venire so that the impaneling of a jury would not be interrupted.

The action of Judge Dady followed that of County Judge P. L. Persons who dismissed the women from service in his court the day after the supreme court held the jury act to be illegal.

Close to a score of women saw jury service before Judge Dady before the act was voided.

The supreme court held in its opinion that the legislature had delegated its legislative power to the public by

placing the proposal on the ballot for a referendum at the general election last fall. Steps are being taken in both branches of the general assembly to frame a new bill on which the legislature will act without a referendum.

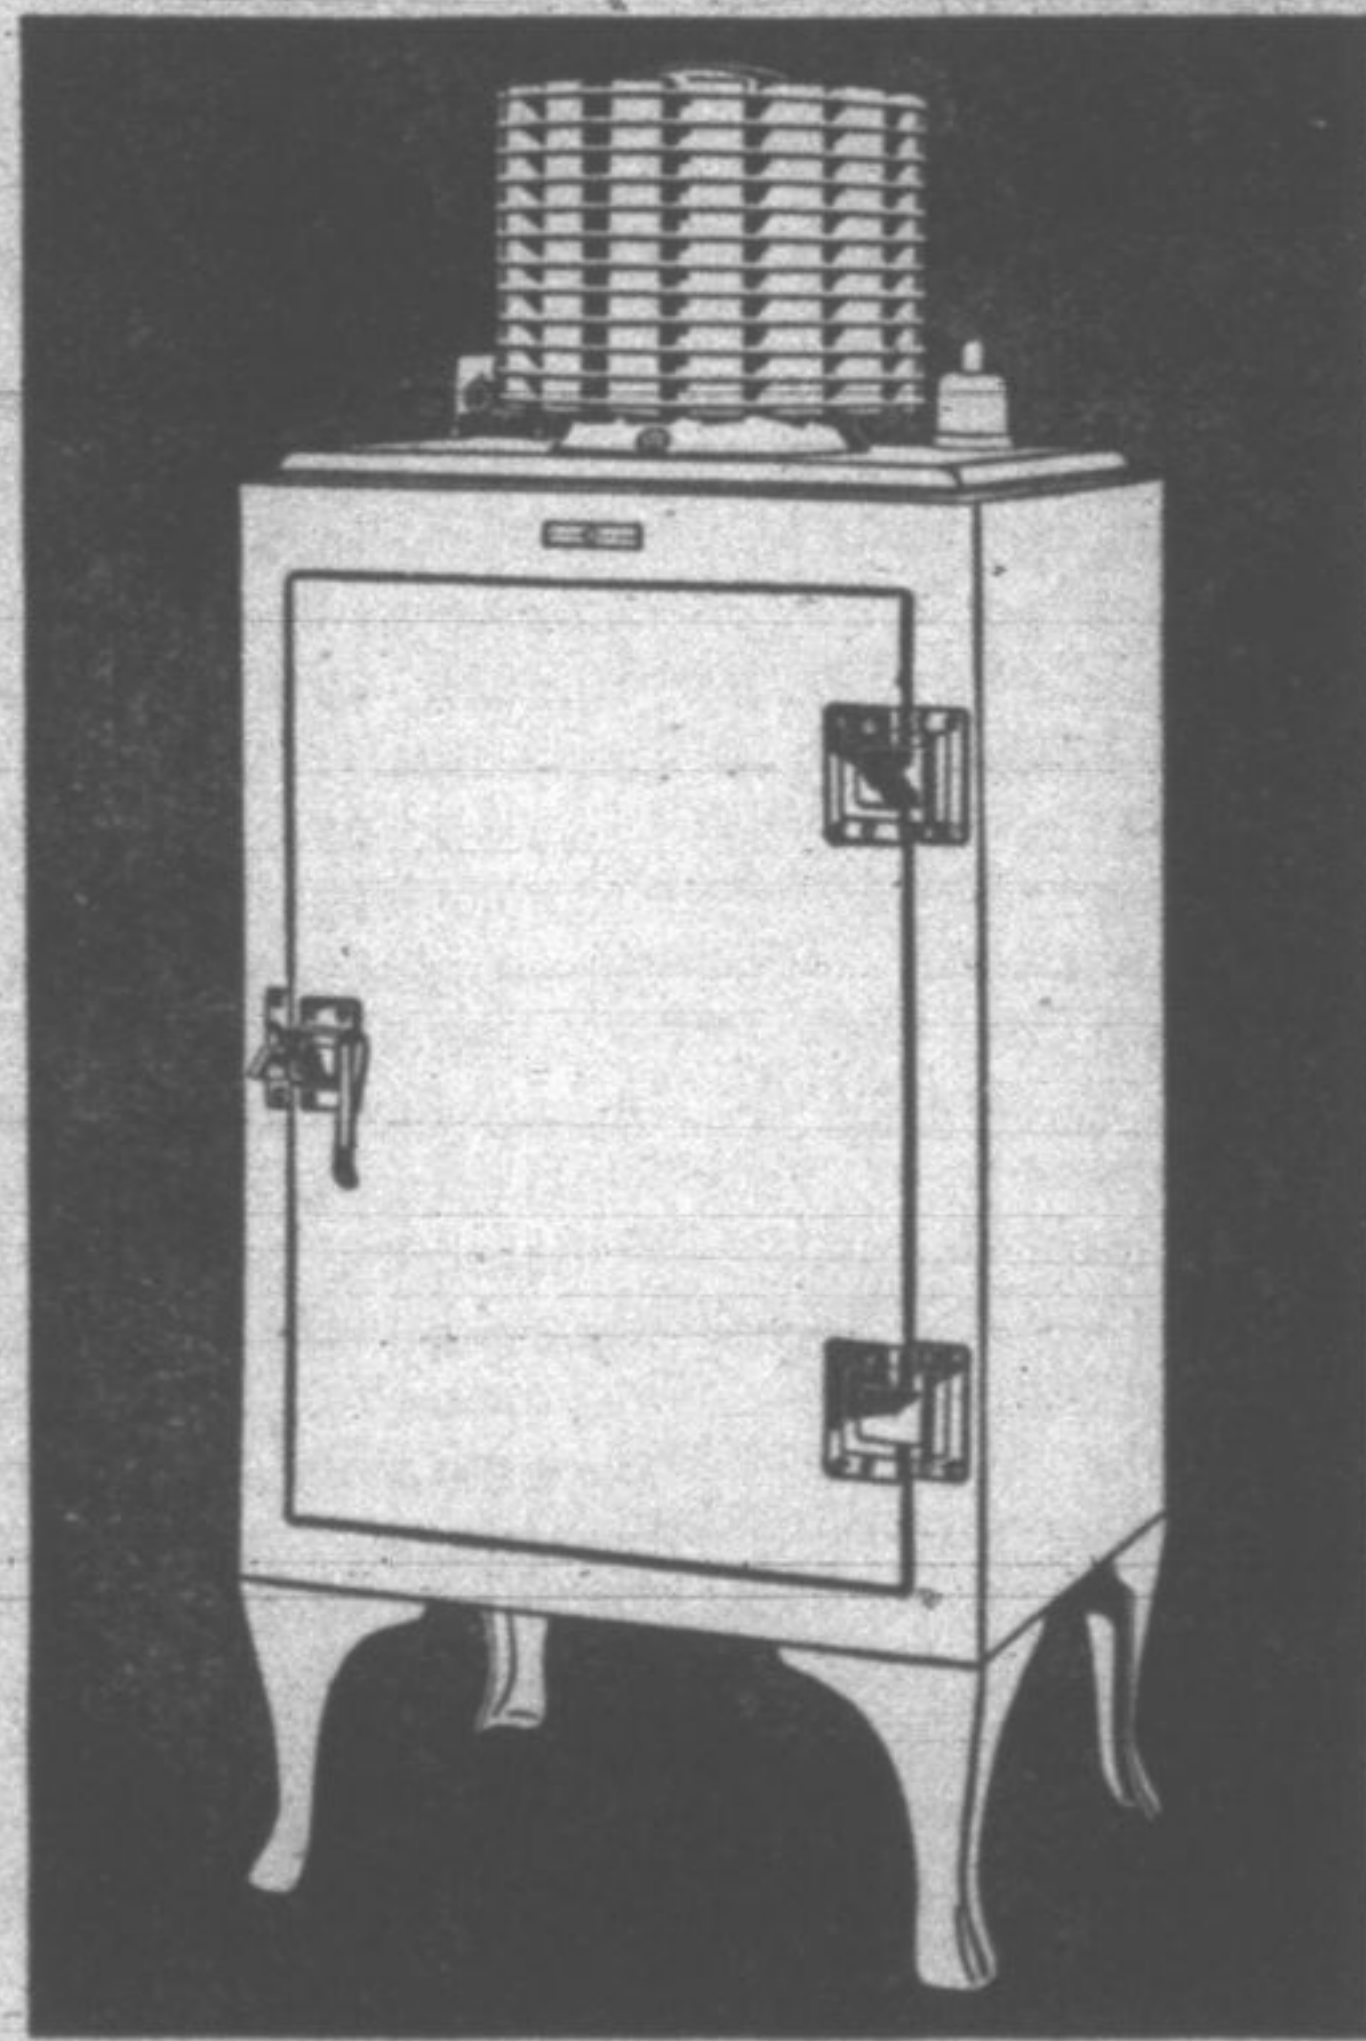

Attorney General Oscar Carlstrom in an opinion released last Friday, has advised the county board of supervisors to destroy all jury lists containing the names of women and has urged that a new list be provided through a special meeting.

Prior to the discovery of the invalidity of the law Carlstrom had urged county boards to place women on the panels in equal proportion to the men.
