During the past few years the grass has been cut every ten or fifteen days, which necessitates the employment of a man for two days at each cutting.

The very fine appearance of the cemetery has caused much favorable comment from the general public. To do this takes money. All those who have relatives buried in the Deerfield cemetery are requested to send their contributions to any of the following officers, before Saturday. The officers are:

President, T. J. Knaak; secretary, John L. Vetter; treasurer, Edwin P. Easton; trustees—Bert Easton, Herman Ludwig, Mrs. Edith Osterman.
