Latest Eagle Scout

Photo by Hecketsweiler
Dave Roberts

Scout Dave Roberts of Troop 22, Glencoe Union church is one of the latest Eagle scouts of the council. He is the son of Mr. and Mrs. Keith Roberts of 464 Washington street, Glencoe. Mr. Roberts is the chairman of the North Shore Area council Camping committee. The unusual neckerchief slide Dave is wearing was presented as a gift from his parents on the night he received his Eagle badge. It is made of two genuine eagle claws from Wyoming, fastened with a silver band engraved with Dave's name.

Dave joined the scouts in October, 1929, was second class January 1930; first class by March 1930, Star — July 1930 and Life by October 1930. This is a fine progressive record. He was an honor camper at Makajawan in 1930.

Antioch Tugs to Victory Over Highland Park Team

Overcome in the last half minute by the Antioch fire department's tug-of-war team, Highland Park's fire department team lost an exciting match held in Waukegan yesterday, as part of the Waukegan jubilee.

Highland Park's team, composed of John A. Shelk, Ray Sneed, William Cameron, Paul Marty, Leo Coffman and Sidney Jennings, had only 10 minutes before beaten the Round Lake team, while Antioch had bested Waukegan. The Waukegan-Antioch match came to an end in 45 seconds, Waukegan realizing that they could not win.

Highland Park held Antioch two feet over the line for the first minute and a half, but then Antioch came through in a mighty effort to get back over the line, and won.

The matches were held at 3 o'clock in a vacant lot at Sheridan road and Water street, Waukegan. A silver cup, donated by the Waukegan Chamber of Commerce, went to the winners.

All games will be played on Lincoln park and Ravinia park diamonds.

Complete Plans for Campaign for \$25,000

The members of the Building committee of the Bethany Evangelical church have completed most of their plans for the financial drive to raise a fund of \$25,000. The funds raised by the local church will be duplicated by the anonymous friends that were referred to in a recent issue of the paper. The campaign will begin about June 1 and will continue until the full amount is raised, which must be done before Dec. 31. Many people in the community have already expressed their keen interest in this unusual offer, and have asked that they might have a part in putting this campaign over 100 per cent.
