Noted Aviator Expert Speaks at H. P. Rotary Meeting Here Monday

Major Schroeder, noted aviator and superintendent of the Sky Harbor airport was the speaker at the regular luncheon session of the Highland Park Rotary club Monday noon, at the Moraine hotel.

Major Schroeder, who at one time held the altitude record, which he made at great risk, referred to his experiences in his talk, which was heard with great interest and appreciation by the members present. In making this record the major reached a height of 45,000 feet. There he lost consciousness, and his plane fell 36,000 feet before he regained his senses. His eyeballs were frozen and he had great difficulty in handling the controls. Finally he managed to level the plane off at 1,500 feet and made a safe landing.

Major Schroeder was introduced by Mr. Henry Winter.

The regular monthly dinner and business session of the Highland Park Chamber of Commerce will be held Tuesday evening, June 9, at the Green Tea Pot. Mayor E. B. Metzler and Commissioners Gourley, Zimmer, Taylor, and Greenslade have been invited to be the guests of the Chamber for that evening and will speak on city affairs. A large attendance of members is expected.

Avoid Patronizing Outside Organizations

It has been called to the attention of the local Legion post that another organization is conducting a ticket sale similar to the one which we are giving on July 4.

This organization, The Veterans of Foreign Wars is not located in Highland Park and we are not connected with them in any way.

The local post has their own Employment board and the local veterans out of work will be benefited only by our organization.

The American Legion post in Highland Park does not go into other communities soliciting funds and we feel that the citizens of Highland Park are doing their share by supporting their local organization and not one located in Waukegan.

The American Legion,
Dumaresq-Spencer Post No. 145.

Correction

In last week's issue of the Press it was stated that the H. P. cricket team was defeated by Chicago with a score of 64 to 37, which was incorrect. The Chicago team was defeated by the Highland Park team with a score of 64 to 37.

Dedicate Flagstaff At Ravinia Saturday; Presented by D. A. R.

In the presence of a large crowd of interested people the Memorial Day dedicatory exercises of the D. A. R. Flagstaff took place as planned last Saturday morning at the Ravinia Station park despite the drizzling rain. From out of the distance came the military strains of the new Fife and Drum corps of the Dumaresq Spencer post of the American Legion. Then finally coming to a stand in front of the platform at the base of the flagstaff they stood at attention during the exercises.

Invocation was given by the Rev. Christopher Keller and short speeches were made by Mrs. W. C. Egan, the past regent who presented a flagstaff to the city thirty-five years ago; Mrs. E. R. Phelps who originated the idea for the Ravinia flagstaff; and Mrs. J. F. Leaming who carried out the idea and formally presented the keys of the flag to Mr. Milton Hardacre, president of the East Park board.

The flag was then raised by James Garnett, president of the C. A. R. society, assisted by five other members, John Seyfarth, Parliament Peabody, Robert Austin, Patricia Speed and Lucienne Reichardt, who held the flag during the ceremonies.

Mrs. R. L. Sandwick led the Salute to the Flag after which the regent, Mrs. Kellogg Speed, introduced Mayor E. B. Metzler who made a fitting and beautiful response for the town, emphasizing the thought of Honorable Peace.

After the singing of America, led by Mr. Orrin Keller, accompanied on the cornet by George Hinn of the Boy Scouts, the services were brought to a close with the retirement of the Fife and Drum corps.

Following the dedication the first regular meeting of the Children of the American Revolution was held at the home of James Garnett on Linden avenue. Nineteen children were present for an indoor picnic lunch and a short business meeting which was followed by games and much fun and laughter. The rain being then over they all separated for home and play.
