### Sunday School State Convention June 23-25

Officers of the Lake County Council of Religious Education are engaged in plans for sending a large delegation of church and Sunday school leaders and workers to the 73rd annual Illinois State Sunday School convention at Rock Island-Moline on June 23, 24, and 25.

The registration is unlimited and the council is urging churches to send their best leadership, present and prospective, to this meeting, in order that they may be trained for greater efficiency in modern religious educational methods of teaching.

Speakers of state and national prominence in religious educational work with childhood and youth are included on the program. Some of the subjects which will be discussed are missionary education, vacation church schools, music and worship, week-day religious education, recreation and social activities and small school problems.

On the first day of the convention, June 23, topics of special interest to district and county officers will be considered.

Credentials and further information may be obtained from the secretary of the Lake County Council of Religious Education, Miss Irene Rockenbach of Deerfield.
