Bill to Prevent Guest Rider Damages Advanced

The Illinois house of representatives last week passed the measure of Representative William Carroll, Woodstock, amending the Motor Vehicle law to prevent auto owners from damage suits from guests injured in their cars. The bill carried 81 to 15.

Carroll's measure provides that no person riding in a motor vehicle as a guest, without paying for the ride, shall have a cause for damages

against the driver, owner, employe or agent for injury, death or loss in case of accident, unless the accident has been caused by the wilful negligence of the driver.

The bill now goes to the senate.

AROUND THE CAMPFIRE there's nothing better for toasting marshmallows than a one or two-piece play suit. \$1.00.
