Open "All-Drug" Drug Store in Bank Building

Earl W. Gsell and Oscar Lundgren are opening a drug shop which will specialize exclusively in filling prescriptions and supplying sick-room needs. This shop is located at North Shore Trust building, 2 N. Sheridan road, Highland Park, Ill., Room 301, and is equipped with modernistic fixtures.

Constant care and thought given over many years to helpful cooperation with physicians and patients of the community, has earned for Earl W. Gsell & Co., that explicit trust of the medical profession which is shown by the fact that their prescription work constantly increases.

Because of this growth in their prescription work and our sick room supplies department they realize that there is an urgent demand in this community for a drug store that devotes its' entire time and effort to the needs of physician and patient.

"Isn't this an ideal spot for a picnic?"

"It must be! Fifty million insects can't possibly have made a mistake!"
