### Ravinia Tennis Courts Best on North Shore; Park Board Management

Since the Park board has taken over the Ravinia tennis courts, it has been doing everything possible to give the people of Highland Park who are interested in tennis, every convenience. There are five clay courts in excellent condition and plenty of parking space on the grounds. A phone has been installed in the club house, and showers and other facilities are under way. There is a large shaded area adjoining the courts which has also been acquired so this is an ideal place for the children of the community to spend their time during the summer. A caretaker is at the grounds all day.

Tournaments are to be run throughout the season and any member desiring to enter may do so. Arrangements have also been made to give free instruction in the game to any one joining the club who cares to avail themselves of this privilege.

New low rates with convenient terms are now in effect. Mr. Laing of the Park department will be glad to give full information, or 'phone Mr. Kern, H. P. 4066, any evening.
