

TEA KETTLE

or

TAP?

Which one
supplies your
HOT WATER.

Heating water in a tea kettle is slow and inconvenient. Only a limited amount of hot water is obtainable. In addition, you must wait until it heats; then lug it to wash bowl, bath tub or kitchen sink.

With an AUTOMATIC STORAGE GAS WATER HEATER in your home, you'll have a limitless supply of hot water at every faucet. The instant you turn a tap, hot water will flow out, in any quantity you desire. You'll never lack as

much as you need, for all of the uses hot water has in your home.

Your home can be equipped with a modern AUTOMATIC STORAGE GAS WATER HEATER on EASY, CONVENIENT TERMS. — Make only a Small Down Payment, then pay the balance in 12 months. Come in or telephone NOW for complete information.
