

## THIS COUNTY IS IN NEW CONG. DISTRICT

### Reapportionment Bill Signed and Lake Co. Included in 13th; Political Results

With the signing of the new congressional reapportionment bill by Gov. L. L. Emmerson, Lake county becomes a part of the 13th congressional district with more district power than it has ever before had.

The new district takes in all of Lake county and Evanston, and while the Evanston area contains more voters than Lake county, the big slice of Chicago that was formerly a part of the old Tenth district is now separated.

Even before the reapportionment measure actually became a law, prospective candidates started action on their campaigns and present indications point to three Republican can-

didates in the primaries and possibly more than one Democrat.

#### Several Candidates

State's Attorney A. V. Smith, defeated by Congressman Carl R. Chindblom in the last primary, is a candidate for the office from the 13th district as is Rep. Richard J. Lyons of Mundelein and Mayor Charles Bartlett of Evanston. Rep. Barbour and Rep. Church of Evanston were also announced as candidates, but it is believed that both will withdraw in favor of Mayor Bartlett. Indications are that Attorney James G. Welch will be the Democratic standard bearer.

The reapportionment bill, drawn by an all-Republican sub-committee and passed in the closing days of the 57th General Assembly, was signed by Gov. Louis L. Emmerson late last week.

#### Fought Bitterly

The measure caused bitter debate between Democrats and Republicans but on final roll call practically the entire Republican majority supported it and a few Democratic members

from Cook county joined with them. Downstate Democrats charge that the bill is intended to make many districts now in the doubtful column, 100 per cent Republican.

### TROOP 30 ENJOYS LIFE AT SCOUT CAMP

Following is a letter received from Camp Makajawan by the Highland Park Rotary club, telling of the fine time their scouts are having: "Highland Park Rotary Club, Highland Park, Ill.

"Dear Friends:

"Twenty-six members of Boy Scout Troop 30, Highland Park, which is sponsored by your club, together with their scoutmaster, arrived at Camp Makajawan Saturday, afternoon at 1:30 p.m. by an automobile caravan of seven cars. We also had a truck for baggage which was kindly donated by the Reliable Laundry for this occasion. Camp Makajawan is located 300 miles north of Highland Park on the beautiful Spring lake in Northern Wisconsin. Its banks are lined with the picturesque birch trees together with many varieties of evergreens. This is an ideal spot for scouting and all our boys are well and happy. In spite of the fact that the first few days have been hot, the boys are making splendid headway in scouting advancement. They wish to convey to you their thanks for the kind support received from your club.

#### Congratulates Rybolt

"Myron Rybolt, who is a member of your club and who is also the scout executive of the North Shore Area council, is to be congratulated upon the splendid staff selected to operate the camp this summer. The chef is the best we have ever had, and our meals are all well planned and are not "Hard to take." Our physician in charge of the hospital, is Dr. B. Orest, and he is busy every minute looking after the welfare of the campers. Camp directors, Mr. McManus and Mr. Boltz, are both old-timers at the game of scouting, therefore our programs are both entertaining and instructive. Mr. Bersch, who is assisting with the programs, is doing excellent work. Perhaps many of you remember George's father was manager of the North Shore Gas Co. in Highland Park about 16 years ago. I cannot mention the names of all the staff but I do say that both the senior and junior officers are all fellows of high character.

#### Names of Scouts

"I am not going to burden you with a long letter but I thought that you might like to know the names of the boys of our troop who are here. They are: George Clark, Duane Cope, Harry Eaton, Lee Gatewood, Douglas Graves, Fred Hodgson, Bill Larson, Bob Moseley, Harry Hanson, Dick Moseley, Bob Neriem, Cody Pfanstiehl, Francis Ronan, Jim Rutledge, Harry Skidmore, Bill Tyson, Nathan Udell, Bill Schmidley, Jim Snobble, Geo. Olsen, Don Siljestrom, Billy Watson, Byron Howes, Vernon Rudolph, Milton Tillman, and Dave Pasquesi. Sol St. Peter, who is also a member of your club, is our troop chairman and he is the man that is responsible for getting the automobiles for our transportation. We will be mighty glad to have any of you fellows drop in on us for a visit. It is a beautiful drive up here and you will enjoy every minute of it.

"With best wishes to your club, I am

Sincerely,  
John P. Udell, Scoutmaster,  
Troop 30, Highland Park."
