At our morning service last Sunday those present were very delightfully surprised by the unexpected presence of Mr. and Mrs. Carhard, missionaries from Santiago, Chili, where they are in charge of the Sweet Memorial Dispensary, which our church and Sunday school have been helping support for the past fifteen years. It was not even known that these dear friends were in this country until a message was received from them a few hours before the service. The communion service which had been announced for that service was put over until next Sunday and the entire time given to the very interesting talks given by these missionaries whom none of us had ever before seen, although in touch with for so many years. Wm. E. Bletsch, who had much to do with securing support for their work from Highland Park friends, was present and was asked by the pastor to introduce the speakers which he did with a very brief sketch of the beginnings of this enterprise. Those present enjoyed one of the most interesting and inspiring services we have had in many months. Mr. and Mrs. Carhard are in this country on a year's furlough and to visit their children who are studying in Wesleyan college in Mitchell, S. D.

Next week Wednesday evening, July 22, we will hold a lawn party on the lawns of the church. The Ladies' Aid will serve ice cream and cold drinks on the front lawn while the lawn between the parsonage and the church will be occupied by our new Obstacle Golf course, presented to the church by one of our good friends, Mr. John Moore, who secured it for the church from Marshall Field Co. It is a very fine one and gives ample opportunity for skillful plays, with a real hazard for each of the nine holes. Those who have clubs and balls of their own are asked to bring them as the church can supply but a limited number. A small fee will be charged for each round to cover some expense incurred for a fence to surround the course and to cover expense of lighting. There will also be a new style of throwing game and a set of regulations horse shoes for those who like "barn yard golf." We have had nothing like this for a long time and an evening of jollity and good time may be anticipated by all who attend.

Next Sunday will be Communion service and all members are urged to attend. Of all the services of the church this is one which all members are obligated to attend and which should bring the greatest good in attending. A former pastor of our church who was visiting in Highland Park last week, remarked that his communion services in the church he is now serving are the best attended and most enjoyable of all.

The Ladies' Aid meets this week Friday, with Mrs. Arnold Lauridson on North avenue, opposite the church. All the women of our congregation are heartily welcome.
