

## BE FAIR TO US— AND YOURSELF

It is to the interest of those folks who have accounts here to play fair with us. We endeavor to maintain a convenient place for transacting business, including the most modern equipment, and we render a variety of services without charge.

But we can't do this if our depositors keep their accounts checked out to the last dollar. Keep up your deposit — it's an obligation you owe your banker. When you do this you are co-operating for your own good.

### Leechdoms

In Saxon Leechdoms a cure for the gout runs thus: "Before getting out of bed in the morning, spit on your hand, rub all your sinews and say 'Flee, gout, flee'."

We are spared prescriptions of this calibre by our modern physicians.
