RAVINIA PROGRAM NOVELTY FEATURE

"Peter Ibbetson" To Be Repeated Saturday Night; Other Attractions

It is a constant source of amazement and amusement to impresari that from every announcement of a season's expectations the public will choose one opera upon which it lavishes an untold wealth of interest which ranges from lively, intelligent

LUCREZIA BORI

curiosity to the keen anticipation of those who follow the development of music drama with professional rather than dilettante perception. Mr. Eckstein will tell you, with a twinkle in his eye, that the Ravinia expectation of 1931 has been and is "Peter Ibbetson," and it is with considerable satisfaction that he announces that this notable opera which had its Ravinia premiere Monday, will be repeated Saturday night, August 8.

Center of Interest

In this case, the sometimes incomprehensible public has been entirely logical in centering its interest on "Peter Ibbetson," for the Deems Taylor opera has the many-faceted sparkle of historic background, recent popular success and the presence in the cast of Lucrezia Bori and Edward Johnson, great Ravinia favorites, who created the roles of Mary, Duchess of Towers, and Peter Ibbetson when the opera had its world premiere at the Metropolitan on Saturday afternoon, February 7.

The history of "Peter Ibbetson" as novel, play, motion picture and opera, was rather thoroughly explored in this column when the opera was announced as an expectation of the Ravinia season. Created by George du Maurier, famous cartoonist for Punch, and illustrated with delightful

Burglars Steal Bonds Belonging to Maid in Home of Dr. H. S. Gradle

Burglars broke into the home of Dr. Harry S. Gradle at 154 Vine avenue, late last week, and stole \$1,200 in real estate bonds belonging to a maid. The thieves got in through a rear window while the Gradles and the domestic were asleep. After they took the bonds from the maid's room the burglars gathered a collection of household valuables. They did not take this loot, however, evidently being frightened away. Dr. Gradle has offices in Chicago at 58 East Washington street.

Playground Day Is Friday, August 21; Plan Big Parade

Playground day this year is to be on Friday, August 21. Everyone who attended last year will remember what a full day it was, with the grand parade through town, the decorated cars and bicycles and costumes, the tournaments, tennis, horseshoes, baseball, races, games, and the show in the evening.

All these things will be enjoyed again this year, but on a grander and even more pleasurable scale. Each playground is starting work on its own individual project. The show in the evening will be a tennis tournament sometime during the day, and a horseshoe tournament. There will be a baseball game, and races. Of course prizes will be given the winners in all the contests. The day will be full of surprises; everyone in Highland Park is invited to join the festivities. Come to Sunset park and plan to make a day of it!

Flowers Will Be Appreciated for the Library

The Highland Park Garden club is continuing to furnish flowers for the public library. Mrs. Edward Field is in charge of them for this week.

Any resident of this city who would like to share his or her flowers from their gardens to help make the library a more beautiful place, is invited to send blooms to Mrs. Field.

Florida Man Speaks to Rotarians About Beautifying Route 41

At the regular weekly luncheon session of the Highland Park Rotary club, held Monday noon, in the Mo-raine hotel, the speaker was Ora Chapin of Fort Meyer, Fla., who spoke on the beautification of U. S. Route 41, from northern Wisconsin to Florida. He told of progress already made in this project in different portions of the route and pointed out the advantages of the plan from an aesthetic point of view and urged the co-operation of the north shore communities in the work. His talk was heard with great interest by the members present. Mr. Chapin was introduced to the club by H. F. Kelley, the club president.

Elks to Unite Aug. 13 in Big Golf Tourney

Highland Park lodge of Elks, No. 1386, and other neighboring lodges will unite in a big golf tournament at Columbia Country club next Thursday, August 13, all day. Play starts at 8:30 a.m. and 1 p.m. Prizes will be awarded for flag tournament, low gross, low net and blind bogey. Dinner in the evening. A good time is promised, and a big crowd is expected.

Sunset Valley Tee Club Has Weekly Meet; Plans For Another on Friday

The Tee club held its weekly meeting last Friday. There was an 18 hole event planned for the day, with prizes for low net and a blind hole. Mrs. Shelton turned in the lowest net score and Mrs. Jones and Mrs. Fabian tied on the blind hole. In case of such a tie, it has been decided that the player with the lowest handicap would be declared the winner. As Mrs. Jones and Mrs. Fabian have the same handicap, they had to draw for the prize. Mrs. Jones won the draw.

During last week the finals of the July tournament were played off. Mrs. Anthony was the winner in Class A, and received a table lamp; Mrs. Starrels in Class B and received a purse; and Mrs. Meierhoff in Class C and received a scarf.

An excellent luncheon was served at one, and as the president, Mrs. Meyer, could not be present, the vice-president, Miss Berlin, presided. After luncheon the prizes for the two club handicap were awarded. Mrs. Anthony received golf balls, Mrs. Worth some playing cards, and Mrs. Kennicott a pewter bon-bon dish.

Many of the members stayed for bridge in the afternoon. Mrs. Schur won the bridge prize for the members, a very pretty ivy bowl, and Mrs. Washborough, a guest of Mrs. Reeves, won some finger bowls.

Next Friday, August 7, will be Blind Bogey day. Come out and play and pray to Lady Luck that your score is the winning one.

Highwood Has Bombing At 2:10 This Morning

At 2:10 this morning the residents of Ashland avenue, Highwood, were awakened by the explosion of two bombs which had been placed in the ice truck of A. Farina, a Highwood ice dealer. Another truck in the garage and the building was also badly damaged. The police of Highwood and Waukegan are working on the case.

2-Day Carnival in Highwood; Features

A two-day carnival will be staged Wednesday and Thursday, August 12 and 13, by the parishioners of Saint James church at the residence of Mrs. B. Muzik on Railroad avenue, Highwood.

Among the features of the carnival will be a baked ham dinner which will be served on Wednesday evening and on Thursday a chicken dinner. Wednesday afternoon is children's day at the carnival. Thursday at 2 o'clock there will be a card party. Games of all kinds will be played.

There will be dancing both evenings besides numerous other attractions. An invitation is extended the public to attend.

GARDEN STUDY CLUB FLOWER SHOW AUG. 15

Splendid Display Planned at Woman's Club Saturday of Next Week

The Flower Show of the Highland Park Garden Study club will be the meeting place of flower lovers of the north shore on Saturday, August 15 at the Highland Park Woman's club. From 1 to 9 o'clock, gladiolus fans will get together and discuss their favorites while viewing their neighbors' choicest varieties. Novices will come to see the newer things they've read about and to ask experienced growers "how you do it?"

Many Classes

There will be classes for all flowers in bloom at the time, annuals and perennials, and there is a splendid list of medals and prizes to be awarded, besides the ribbons for first, second, and third places in each class.

The American Gladiolus society is cooperating with the local club and offering its silver medal as a Sweepstakes prize in the gladiolus division, its bronze medal for second place in the Sweepstakes, and another silver medal for the competitor who has never before exhibited in a gladiolus show and who enters the greatest number of classes in the gladiolus division with creditable results.

Notable Honor

It is believed that this is the only local show in the state to be thus honored by the American Gladiolus society, although the show of the Illinois Gladiolus society receives co-operation of course.

There are merchandise prizes in the gladiolus division and also in the division for annuals and perennials. There are classes for single spikes, for collections, and for flower arrangements of various kinds as well as for plant stands and card tables set for a "Hardtimes" bridge supper, and the contrasting class for the "return-to-prosperity" bridge supper.
