The Grove school (Cook county) on Dundee road near the North Northfield corners, which has been a one room school since its beginning, nearly 70 years ago, is being remodeled and will be made larger. The building has been moved to the extreme north end of the lot and another room is being added, also a fine basement and modern plumbing. The first building was a log cabin, made from the logs of the church which formerly stood there. That building was replaced by the present one, which has now become antiquated. The attendance has been around fifty or sixty pupils and one teacher has served as pedagogue, playground supervisor, janitor, etc., attempting to do everything without assistance. Helen Reichelt of Deerfield taught there for several years.

The Mission Band and the Woman's Missionary society met at the Bungalow church on Tuesday noon and enjoyed a picnic luncheon.

state office for twenty years, and felt that she would like a year's rest.

A meeting of the session of the Deerfield Presbyterian church will be held Thursday evening (tonight) at the home of Dr. and Mrs. C. Johnston Davis.

Oscar Lundgren and Miss Ella Epperson of Highland Park visited at the Bruce Blaine home on Wednesday. Mr. Lundgren and Miss Epperson were married on Saturday and will
