NEWS FROM THE SEA SCOUTS
Throughout the summer the Sea Scouts of Ship 64 have been going on cruises and other Sea Scout activities. They have made frequent trips to the Great Lakes Naval station where their 28-foot whale boat is located. They have put in many hours of rowing in the station harbor.

The whale boat belonging to Ship 64 comes from the "Cavite" naval station situated in the Philippine Islands. This means that there is probably quite a bit of sea history connected with the boat.

The two-masted schooner, "Albatross" which belongs to all of the Sea Scout ships in the council is also anchored in the Great Lakes harbor.

On the night of September 9, the local Sea Scout ship had their first meeting after the summer vacation was over. Here, plans were made for a day cruise on a two-masted schooner owned by Mr. Clark Wright of Chicago. The schooner, which is named the "Privateer" is anchored in Belmont harbor in Chicago. The use of this ship was secured through the co-operation of Mr. Roy Wright of Libertyville, and the Sea Scouts of Libertyville certainly want to thank Mr. Roy and Clark Wright for the privilege of using the schooner. This cruise will take place on Sunday, Sept. 12. Don't forget the cruise, fellows.

TROOP 67 FORT SHERIDAN
Our first meeting since camp opened at 7:15 in the Post chapel. The meeting was in charge of R. Beaubie who may be our new assistant scoutmaster. During the meeting a first aid discussion was held and every one learned something. A demonstration of the Shaeffer method of resuscitation was also given. The rest of the meeting was devoted to passing tests. Our senior patrol leader, Roy Branson, has now 12 merit badges. The meeting was formally adjourned at 8:45.
