

OPPORTUNITY GAS RANGE SALE

**This Sturdy, Dependable
GAS RANGE—Only
\$49⁵⁰**

This range is identical in every respect with its slightly higher priced companion range except for the heat control and oven insulation. For very little more than the cost of this low priced range, you may buy a range with heat control and with or without oven insulation.

A New
MAGIC CHEF
at a sensational
LOW PRICE

The housewife who has wanted a thoroughly modern gas range, but has delayed buying because of "price," will be delighted with this new Magic Chef.
