#### Radiator Repairing

Dirty, sluggish cooling systems cannot give the protection against excessive heat which modern motors demand. Sticking a garden hose in the radiator and letting water trickle through the drain cock is not sufficient and in fact is a little better than nothing. Let us clean your radiator as it should be cleaned—before serious damage is done to your car.

#### PRESS CLUB OPENS ITS FALL PROGRAM

The Highwood district announces the first fall meeting of the Highwood Press club staff which will be held on Friday, Sept. 26, at Mr. McOmber's drug store, which is situated on Railway avenue, Highwood. The members are Allen Hulse, troop 67, Marvin Brownlee, troop 37, and Robert Golden, troop 36. Journalism merit badge will be discussed so come to it, fellows.—District Editor Ambrose Cantagallo.

#### PLANS ATHLETIC MERIT BADGE TEST

Troop 52 held its meeting in the summer meeting place on Warrington road near Westgate. The assembly opened in the regular fashion, oath, laws and pledge to the flag. The rest of the evening was spent in playing "Pioneer and Indian." The sides were captained by Edgeley Todd and Kenneth Vetter. Todd's side were pioneers while Vetter's were Indians and then "vice versa." In each case Todd's were the victors. It is planned to have an exceptionally early meeting next week so the scouts may have a chance to pass their requirements for the athletic merit badge. It is requested that the scouts come fully prepared to pass the events they have chosen. It will be necessary to be there on time, because of early darkness.—Kenneth Vetter, Deerfield Press Club Editor.

#### TROOP 32 HOLDS COURT OF HONOR

The regular meeting of troop 32 of Highland Park was held on Friday, Sept. 16. The meeting was based on a court of honor. We met at 7:00 at the Elm Place school gym and made preparations for the evening. At 7:30 we fell in line and pledged allegiance to the flag, then after the scout oath, law and had roll call. There were 13 scouts and 9 visitors. We formed a semi-circle around the table and Mr. H. G. Boltz gave us a short talk on behalf of scout headquarters. Awards were then given as follows: Scouts Domke and Kelly received the Highland Park bar and the troop number. Scouts Clark, Crusekamp and E Snyder received tenderfoot badges and yards. Scouts Fritsch, Jenkins and R. Snyder received second class badges. Scouts Ridge and Sues received first class scout badges. The awards were made to the boys by Committeeman Mr. Riddle, and Mr. Snyder. The scouts then gave short acts. The visitors were Mrs. A. D. Brush, Mr. and Mrs. Hurd and their son, George; Mr. and Mrs. Kelly, Mr. Riddle and Mr. and Mrs. Snyder. We then had the Indian sign language benediction while the visitors joined in. We were dismissed at 9:30.—Troop 32, Reporter David Jenkins, Elm Place School.

#### SCOUTS FOLLOW PED PIPER

Troop 33 of Highland Park held an unusual meeting last Friday night, Sept. 18. Each fellow was told to stay at home and wait for the Pied Piper. When the Pied Piper (Juddy Wells) came for the boys, he collected their back dues as well. They proceeded to a certain wood, in which they were told that two children were lost. A search revealed that the two children were a couple of scouts in hiding. Then we were led to a natural amphitheater, where each scout was nourished with two bottles of pop and five fresh doughnuts. The business of the meeting was then transacted, and plans made. Then—Good Night.

The scouts were not entirely exhausted by the strenuous evening, for next morning George McLellan and Allen Benson started out early to ride the 50 miles for the cycling merit badge. They completed the ride in seven hours.—Kerwyn Smith, troop 33, Scribe.

#### BOYS AID IN CANNING FOOD

Boy Scouts in a number of communities are aiding in the move to preserve for winter use of the destitute, the bumper crops of fruits and vegetables which, as a surplus over immediate needs cannot otherwise be used, according to experts of the department of agriculture. Rural scouts are especially interested in the project because of their proximity to the sources of supply. In Birmingham, Ala., where the project was sponsored early by the Community Chest and is being carried on under the auspices of the Red Cross, Boy Scouts have a foremost place. The project is keeping several hundred Boy Scouts and Sea Scouts of that city actively engaged in the efforts to conserve food to be distributed this winter. Fully half the boy scout troops and the crews of all four sea scout ships of the city are engaged in the project. A camping period for older scouts was postponed so that more scouts could devote time to the canning campaign and the Birmingham council has offered the full time services of its assistant scout executive, Frank W. Braden, in the project.

#### SCOUT USHERS ARE WANTED

Through the kindness of Scout Executive E. D. Kelly, of the Evanston Council, our council is again given the opportunity to supply 68 ushers for regular duty at all the Northwestern university home games at Dyche Stadium. Scoutmasters are urged to announce this to their troops and have all scout appli-

cants give their name and rank to scout headquarters in Highland Park either by phone or mail, immediately. Only those scouts registering at headquarters will be used. Ushers will be selected in the order their applications are received. If too many scouts apply preference will be given to those of highest rank. Ushers taking this duty must serve at all the five home games.

#### INVITE SCOUTS TO OPENING GAMES

Northwestern university invites the North Shore Area Scouts to see the Wildcats play Nebraska at their opening football game at Dyche Stadium 1:00 p.m., Saturday, Oct. 1. Report to Gate No. 1 in uniform or if not in uniform, scouts must present their registration certificates. Troop must come as a body under their own adult leadership. This is a real opportunity for your troop. The University of Illinois announces, thru Director Geo. Huff, the Boy Scouts Day program for October 3rd on the university campus in Champaign, Ill. The activities will include swimming, parade, flag ceremony and free invitation to the opening Illini game with St. Louis. Scouts must attend as troops under adult leadership. For further information scouts should see their scoutmasters.

#### NORTHBROOK CUBS START FALL PROGRAM

Cub Pack 68, Northbrook, are well underway with their activities for the fall and winter. One pack meeting and hike has been held. Dens One and Two, Den Chiefs Bill Emery and Richard Thornmeyer are meeting this week. The regular meeting of the Pack will be held at Cubmaster Smith's home, 1045 Angle avenue, the last Friday of each month. Plans are being laid for a complete schedule of outdoor activities for the Dens and Pack as long as the weather is favorable after which they will continue indoors. New members are being enrolled each meeting. The age limits are nine through eleven. All parents who desire information concerning the work may get in touch with either of the Den Chiefs, or Assistant Cubmaster Lowell Mueller, or Cubmaster Smith. All boys of proper age who desire to be citizens of good character may be admitted to membership.

#### TROOP 52 HOLDS ENCAMPMENT

Members of Troop 52, Deerfield, held their Labor Day encampment at the "Scout Spring" on DesPlaines river near the Old Clyborn Park site. The scouts made camp Saturday, Sept. 5, about three p.m., and then broke camp Monday, the 7th, near the same time. Mr. James Russell, scoutmaster, was in charge of the camp. A large trench fire was built along the river front for cooking purposes. The camp was situated slightly in back of the trench fire. The day was spent in nature study, swimming, cleaning camp and other scout activities.—J. K. Vetter, Deerfield district editor.

#### COMMISSIONERS MAKE PROGRAM PLANS

The commissioners of the North Shore Area council met under the leadership of Scout Commissioner James R. Goetz, Friday, Sept. 18, to lay plans for council activities and training courses to present for approval to the Council Executive board which meets on Tuesday, Sept. 22. The district and deputy commissioners present were Paul Muzik, Highwood; Keith Roberts, Glencoe; Homer Cazel, Deerfield; D. L. Derby, Deerfield; Robert Brown, Winnetka, and Robert Roeber, Lake Forest; Myron C. Rybolt, Carl McManus, and Harold G. Bolts of Highland Park. The commissioners act as the committee on leadership training and troop organization and are spending a great deal of effort in planning the coming events. Mr. Goetz believes "the commissioners' organization this year will be a more vital force in the promotion and administration of scouting on the shore than ever before." Among their plans is the co-operated efforts with the relief agencies in collecting clothes for the needy. A more complete training program for volunteer leaders and a system of serving troops is included in their planning.

#### TROOP 67, FORT SHERIDAN

The last meeting of the Boy Scouts of Ft. Sheridan was held in their meeting place at 7:00 p.m. The Senior Patrol leader was in charge of the meeting. Our regular scoutmaster will not be back until next month. Mr. Muzik and a scout from Highwood paid us a visit. The Board of Review will be held at our next meeting. The meeting was closed at 8:15.—Scribe, Allen Hulse.

#### A SCOUTMASTER'S DESIRE

Put me in touch with the heart of the boy Let me study his doubts and fears. Let me try to show him the way of life And help him avoid its fears. For the heart of a boy in its buoyancy Is the one that is pure and free. So put me in touch with the heart of the boy. The heart of the man-to-be.
