# TIMELY Queries

**DID** you make your will before 1929?

**HAS** your business or financial situation altered so that provision for your family under your will should be altered?

**DO** you realize that a codicil prepared by your lawyer and added to your will may be all that is required to make needed changes?

**WHEN** you add this codicil, wouldn't it be wise to add another provision and name us as executor?

**YOU** know, don't you, that our staff includes experts in trust work, and that, unlike an individual, we operate under a perpetual charter?
