Ravinia Men to Plan Winter Activities at Village House Oct. 5

With the arrival of autumn weather, considerable interest is being manifested among the Ravinia men in continuing their sports through the fall and winter months. All Ravinia men from sixteen to sixty who are interested in any form of indoor athletics, are asked to meet at the Ravinia Village house next Monday evening, Oct. 5, at 7:30.

The class will be led, as formerly, by the popular leader, Howard Copp, and the work will include setting-up exercises, basketball, volley ball, and various other interesting games.

From this group, it is hoped that a regular basketball team will be formed that will ably represent Ravinia among North Shore teams, so young Ravinia men are earnestly requested to come out to try to make this team. This group will also foster other athletic activities which appeal to its members.

At this first meeting, an evening or evenings, convenient for the majority of the members, will be selected. A large and enthusiastic gathering is expected so that plans for the coming months can be put into operation at once.

Mrs. F. J. Ronan, chairman, assisted by Mrs. Mary McCarthy, have completed plans for the affair which promises to be one of the largest ever held by this organization.
