

HIGHLAND PARK PRESS

is now a member of the

CHICAGO SUBURBAN QUALITY GROUP

The Chicago Suburban Quality Group is an association of well-established community weekly publications which are recognized as the leading publications in their respective fields. One paper in each of the eight finest suburban communities in the Chicago area has been invited to membership in the group. HIGHLAND PARK PRESS is proud to be associated with these other publications and graciously acknowledges the tribute thus paid.

The purpose of the Chicago Suburban Quality Group is to provide advertisers with an opportunity to reach an exceptionally rich and responsive territory easily and effectively—one order, one set of plates and one billing for the entire group. The publications comprising the group are alike in format and purpose. The communities they serve are uniformly higher-than-average in buying power and selling possibilities.

Each publication enjoying membership in the Chicago Suburban Quality Group retains its own individuality, with no change in ownership or policy.

Advertisers desiring further information should address the Chicago Suburban Quality Group, Wm. S. Nordburg, Managing Director, 1016-17-18 Willoughby Tower, Chicago, or phone Central 3355.
