Reports Natural Gas Not Likely to Be Any Cheaper, Report Says

The Public Service company of Northern Illinois has begun presentation of evidence before the Illinois commerce commission to justify its proposed mixed and natural gas rates in Will, Kankakee, La Salle, Grundy, Lake and Cook counties.

Henry J. Dunbaugh, attorney for the company, told the commission that artificial gas factories in the Northern suburban areas of Chicago and southern districts of Ottawa,

No matter what we may think of the advisability or safety of European investments, these are the facts. It is not a theory which confronts us but a condition, and a serious one at that.
