**DRY LEADERS PLAN  
 LAKE CO. MEETING**

**National Prohibition Boosters  
 to Hold Forth in Waukegan  
 October 10-11**

The Allied Campaigners, a national movement, representing all of the dry forces in general for the purpose of upholding the eighteenth amendment, will hold meetings in Waukegan in the Masonic temple, on Saturday, Sunday, and Monday, Oct. 10, 11, and 12. These meetings are held for all of Lake county, and the Lake County Prohibition council is cooperating in promoting them. All the churches in the county are asked to announce the meetings, and to secure large delegations.

These Allied Campaigners visit Waukegan as one point in their coast-to-coast itinerary of 269 cities. Preparations for these meetings have been in progress for two months, and it is expected that all the dries of Lake county will rally to the support of the movement.

**Leaders to Speak**

Prohibition leaders of national prominence will be the speakers, and leading citizens of Waukegan and Lake county are on the committees which are promoting the program. Rev. Gilbert Stansel of Waukegan is chairman of the general committee.

Colonel Raymond Robbins, social economist, nationally known social and economic authority, will be one of the speakers on the program. Norma C. Brown, one of the well known women advocates of prohibition, will also speak. She is one of the leading authorities on prohibition, and is secretary of the Allied Forces, the national organization.

Daniel Poling, chairman of the Allied Forces, will appear on the program on Monday afternoon and evening, October 12, and Oliver W. Stewart, vice-chairman and editor of the Allied News, will also speak on that day. Robert C. Ropp, chairman of Allied Youth, will speak on Saturday, Oct. 10, and with him will be Dr. Ira Landrith, chairman of the citizenship department of the Christian Endeavor.

**Recent Proceedings  
 in the Probate Court**

Recent proceedings in probate court, of interest in this part of the county, are reported as follows:

 1:30 to 5:30 p.m. for reading only.

Plumbing  
 and Heating

**KEEP THE HOUSE WARM**  
 during the cold months and the family health will benefit as a result. Of paramount importance is your heating system. Unless it is right no amount of coal will keep the temperature uniform. A good plan is to have us go over your system each year, thus assuring that it will function properly when you need it most.
