**THE SCOUT WORLD**  
 (By Bill Lehle)

The Boy Scouts of America are now rendering aid in relief projects for the needy throughout the United States. Scouts of Toledo, Ohio and its vicinity just completed a canvass for 100,000 glass jars suitable for canning to be used in a like manner. Scouts of Wilmington, Delaware, picked and carted hundreds of baskets of fruit on behalf of the needy. Scouts in Ottawa, Iowa, in one day collected a ton of clothing for the needy. Last Saturday Scouts of our own North Shore Area council collected clothing for the needy. 1,200 Scouts of Des Moines, Iowa acted as traffic officers and the like for 2,000 veterans of the Grand Army of the Republic who gathered there for their national convention.

**NEW SCOUTS AND SCOUTERS LISTED**

**SCOUTS TO SERVE AT HEADQUARTERS**

A plan has been worked out whereby every troop may have an opportunity to be of service to the Scout Headquarters in Highland Park. There is a lot of different things the Scouts can do at the office on Saturdays, such as folding letters and mime-

ographing that will be a most valuable help to the council. One troop will have a chance each Saturday to furnish at least two Scouts for all day for this service. Troop 36 of Highwood started the ball rolling when Scouts Charles Nowlin and Lucian Carani served all day last Saturday. The troops volunteering should arrange their dates with headquarters immediately.

**To Save for Camp**

So that every boy may be sure to go to camp next summer, Troop 61 of Northbrook is starting now to save their money. Each boy is to bring his money as he saves it. Though it may not be very much a week it will all count up by the time summer comes. Most of the boys will have brought in enough to pay their way.—H. Marlin Landwehr Troop 61, Presbyterian Church, Northbrook.

**RESERVATIONS FOR HIKES TO CABIN**

The October and November week-end reservations for the North Shore Area council Cabin in the Woods are rapidly filling up with troops planning fall overnight trips. Your troop is no doubt planning a trip to this favorite week-end camp destination in the Forest Preserve west of Glencoe. To be sure that you may be accommodated have your Scoutmaster register now. Fall time is hiking time, take advantage of it.

**LAKE FOREST TROOP HAS REVIEW BOARD**

Friday, October 2, Troop 48 held its first board of review since our Scouts came back from camp. The meeting started at 7:00 and lasted till 9:00. At the board of review were Mr. M. Rasmussen, Chairman; Mr. Robert Rober, Lake Forest commissioner. At the board—Fred Jensen, Fred Schroeder, Elmer Carlquist, Kenneth Kennedy, Ian Falconer, Ernest Gilroy, Walter Matson and Jack Neale passed first class. Henry Hansen, Hugh Brebner, Clifford Sage and Thomas Horan passed second class. Four merit badges were also passed, by Robert Milton, public health and personal health; Jack Neale, basketry and wood-working. At the meeting before the board of review there were 22 Scouts present. About 9:00 we closed with the Scout benediction.—Jack Neale, Troop 48, Lake Forest.

**WHAT EAGLE SCOUT THINKS OF SCOUTING**

Bill Chichester of Troop 15, Winnetka, who earned his Eagle Scout rank at Camp Ma-Ka-Ja-Wan, had these comments to make when appearing recently before the council executive board:

"I joined Scouts in March 1929, which makes me a Scout for nearly three years. I have been at Camp Ma-Ka-Ja-Wan for three summers, and I received a majority of my merit badges while there. I think that Scouting is one of the best organizations of the training of character. One thing that develops your character is the Scout oath and law. I have learned things that I will be glad that I have learned and will probably need to know. I expect to stay in the troop the rest of my years in high school and I want to keep in touch with it when I am at college. I have always tried to make the things that I do to correspond with the oath and law, and to make that my standard of living."—Bill Chichester.

**Board of Review Report**

The following merit badges were passed to the members of Troop 52, Deerfield Presbyterian church at a recent board of review conducted by the Troop committee. Mark Andrews, handicraft; Franklin Herdlika, firemanship; Harold Huhn, scholarship; Mr. James Russell, cement work.
