POOL & PIPER PRICES ARE LOWER

Price, *plus*
QUALITY

It Takes Both
to Make Value

Prevailing Pool & Piper prices are scaled to save dollars for the parents who foot the bill for Children's Shoes to build the foot.

But since we are concerned pre-eminently in building the foot in the ways of normal growth, we offer no sensational sacrifice of price effected by the sacrifice of foot health.

Not "the cheapest shoe prices you ever heard of." But unchanging Pool & Piper Quality at economy prices—a Value unexcelled!

For Example: This excellently-made Service Shoe featured in Tan and Black, Sizes 8½ to 3, priced according to size from 5.50 down to **4.50**
