Lake County 40 & 8 Elects Its Officers

George McGaughey, first assistant state's attorney of Lake county, Monday night was elected chef de gare of Lake County voiture, Forty and Eight, at the annual meeting in the Waukegan Elks lodge.

Other officers chosen last night are: Chef de train, Charles Hoskins; commissaire entendant, Irving Stockstill; conducteur, Frank Opeka; guard de porte, M. E. Muerrie; commiss voyageur, Walter Gransberg; lampiste, Paul Chase; cheminots, Dan Hunt, Paul Wadman and W. L. Morrey.

Officers will be installed at a banquet within two weeks, in the form of a ladies' party.

The voiture last night voted to hold a Christmas party at the Lake Bluff Orphanage and Allendale school.

LEGION 2ND DIVISION

A meeting of the second division of the state American Legion organization is scheduled in the new hall of the Belvidere post on Sunday, November 1. George Sullivan of Woodstock is commander of the division, which includes the eighth, eleventh, twelfth and thirteenth districts.

Several members of the Lake County council have been appointed to state offices by Commander Ivan Elliott. Charles Kapschull, retiring district commander, was named a member of the rehabilitation committee for two years. Henry Rhode is sergeant-at-arms.

Dan Hunt is a member of the state publicity committee, and Joseph Jadrich was appointed to the state drum and bugle corps committee.

A shark attacks swimmers off the coast of Florida now, according to press reports. The real estate sharks down there, however, have been quiescent for some time.

BERNARD GROSS IS KILLED IN CRASH

H. P. Youth Victim of Auto Accident at Lake Bluff; Companion Badly Hurt

Bernard Gross, 28, of Highland Park, fatally injured in a collision on Sheridan road, north of Lake Bluff, died en route to the Alice Home hospital in Lake Forest Saturday night.

Gross' car, driven by Frank Tentas, 22, also of Highland Park, crashed into a Kennedy garage tow truck north of Lake Bluff, and then struck the southbound car of Dr. A. G. Hopkins of Chicago. Occupants of the doctor's car escaped with slight bruises although the car was wrecked.

Gross, thrown against the windshield, was knocked unconscious, and Tentas, the driver, was also badly hurt. Both were taken to the Lake Forest hospital, but Gross died en route.

Chief Sees Crash

Police Chief Eugene Spaid of Lake Bluff, directing traffic while the tow truck was dragging another wrecked car away, saw the accident. He declared that Tentas was driving north at a high rate of speed, and that he attempted to signal to them with a flashlight. The car swerved and crashed into the tow truck, parked alongside the paving.

Gross and Tentas were removed from the wreckage. A third youth Neale Walsh of Highland Park, riding with them, suffered less serious injuries.

Acting Coroner Maurice J. Penney swore in a jury Sunday, but continued the inquest in order to allow Tentas to testify. Tentas was expected to remain in the Lake Forest hospital for several days. His back was injured, it was reported.

Antique Exposition, Chicago, Oct. 24-30

To lovers of fine antique furniture, china, glass, pewter, silver, prints, old lace, carpets and other choice articles for the home, Chicago will offer an unique attraction during the week of Oct. 24 to 30, inclusive, when the Third Chicago Antiques Exposition will be held in the Drake hotel. More than a million dollars worth of rare pieces will be on display, occupying the entire main dining room, the Avenue of Palms and part of the French room at the Drake.

Opening Saturday, October 24, at 3 p.m., the exposition will be open Sunday afternoon and evening, and throughout the week from 10 a.m. to 10 p.m. daily until Friday night. Representative exhibits from various collections in New York, Connecticut, Ohio and other eastern states will be shown as well as articles from Chicago and nearby cities.

The editorial wisecrackers used to make fun of the Fourth of July orator who waved the flag and made the eagle scream, but in these days of internationalism a little flag waving and eagle screaming might be a good thing.
