

# Motorists, will you help me?

"I am a member of the school boys' patrol. I am helping to cut down injuries and deaths to children. You know me by my white Sam Browne belt and my badge.

"It may not mean much to you that I saved the life of a little boy yesterday. It did mean a lot to his mother. You can help me by driving carefully. I ask your help."

That is the message any of the 18,000 members of the school boys' patrol in the territory of the Chicago Motor Club would give you. The club has a vital interest in these boys. In the sixty-two counties in Illinois and Indiana in which we operate we supply these boys of the public, parochial and Lutheran schools with belts and badges and help to organize and to instruct the patrol units in some 9,000 schools.

Your membership makes this work possible. You also receive free emergency road service, touring information, bail bond, home district and insurance service. It costs only \$15 to join. Mail the coupon for further information.
