**watch out!**

Scary but harmless—those spooks you see on Halloween night. As deceiving as poorly-fitted shoes that injure priceless Foot Health while masquerading in good looks.

But Pool & Piper Shoes for Children are "some punkins" for accurate fit, long wear and pleasing style. And we have just one word for the old Black Cat of Hi-Price—"Scat."

For example: This extremely neat Patent Leather Slipper (above) in a choice of light or heavy soles. Sizes 11 to 2, 5.00; 8½ to 11 4.00
