**CHILDREN'S PLAYS  
TO BE PRESENTED**

**H. P. Woman's Club Arranging  
for Series of Three During  
Winter; Details**

Here is good news for Highland Park and north shore young people! The Highland Park Woman's club, through the literature committee, has again made arrangements to present three plays for children and their parents on Saturday afternoons, one in December, one in January, and one in February.

During the last two years, the parents have expressed such pleasure at having the plays given, and the children have been so delighted with them, it is felt that this year's series will be received even more enthusiastically when it is announced that one play will be the presentation of the dramatic classes of the Deerfield-Shields high school who, under the direction of Miss Rinkenberger, will give "Ali Baba and the Forty Thieves."

**To Give "Peter Pan"**

The December play will be the immortal "Peter Pan," the first production under the auspices of the Evanston Children's theatre. Miss Winifred Ward, the director of the Evanston Children's theatre, has

**Sisterhood Sponsors  
Fine Lecture Nov. 3  
by Mr. Stuart Chase**

The Sisterhood of North Shore Congregation Israel, Lincoln and Vernon avenues, Glencoe, is glad to present Mr. Stuart Chase at its second lecture on its forum series, Tuesday evening, November 3, on the subject, "The Nemesis of American Business."

Stuart Chase is one of the outstanding economists in the country. His keen analysis of industrial conditions so eloquently put forth in his book "Prosperity—Fact or Myth" has stamped him as an authority in the field. He has by experience a technical training, eminently qualified to discuss problems dealing with the national and international industrial business conditions.

He is a graduate of Harvard university and attended the Massachusetts Institute of Technology. In addition he is a certified public accountant and is at present director of the Labor Bureau, Inc. Among the things that engage his attention in public utterances are over production in the machine age, the abuse of capital, unemployment, the need for co-ordinated engineering control, has America reached the end of her prosperity formula, is the current depression permanent or temporary.

Recently Mr. Chase made a first hand study of Mexico, having spent some time in that country and his observations of the handicraft civilization of Mexico with its individuality kept in tact as contrasted with our own machine age where so much mechanism exists with the accompanying loss of individuality leads him to some interesting conclusions as to the change in American civilization in the past century.

No writer or publicist is as informed, as scholarly, or as eloquent as is Mr. Chase in his particular field. In addition to his early work "Your Money's Worth" Mr. Chase is the author of "Men and Machines," "The Tragedy of Waste," and a comprehensive volume on Mexico.

**Lincoln P. T. A. Will  
Meet Next Wednesday**

The regular monthly meeting of the Lincoln school P. T. A. will be held at the school on Wednesday afternoon, November 4 at 3 o'clock.

Following up the line of thought of Progressive Education, which was Mr. Wright's subject at our last meeting, three of the teachers, Mrs. Freeman, principal; Mrs. Harvey and Miss Nichol will speak. A very interesting meeting is anticipated and all the mothers are urged to be present.

**"Homecoming" to Be  
Observed Sunday**

Next Sunday's service at Trinity church is to be a real "homecoming," and it is hoped that every member will be present to welcome the return of the rector, Rev. Christoph Keller, who is resuming his duties after a few weeks' vacation.

**D. A. R. Fourth Division  
Meeting in Oak Park**

During the coming week Tuesday, November 3rd, is scheduled for the annual D. A. R. Fourth Division meeting at Oak Park. The Fourth Division of the Illinois chapters of the Daughters of the American Revolution is comprised of the 23 chapters in and around the city of Chicago.

The meeting will be held at the Oak Park club beginning at 10 o'clock and continuing through until afternoon. Luncheon will be served at noon. Reservations must be made by Saturday with Mrs. Paul Oliver, 737 Keystone avenue, River Forest. An interesting program has been planned for the day and a large attendance is anticipated.

On Wednesday, November 4, the regular monthly board meeting of the North Shore chapter will be held at the Highland Park Public Library at 10 o'clock in the morning.

A most gratifying number were present last Tuesday at the annual D. A. R. card party at the Highland Park Woman's club. Large baskets of lovely autumn flowers and the exhibit of beautiful paintings on the walls added much to the enjoyment of the occasion. A goodly sum of money was realized which will help greatly in the worthy enterprises to which it is to be contributed. To everyone who helped make this party a success hearty appreciation is hereby extended.

Last Saturday evening the opening meeting of the Children of the American Revolution took place at the home of Mrs. Orren S. Peabody on Moraine road. John Seyfarth gave a talk on Theodore Roosevelt and an official movie film of the Navy Department made up of the Navy Day program of the evening. After refreshments were served the meeting adjourned to meet again in the early part of December.

**Harry Weisbach at  
Moraine This Winter**

Harry Weisbach who has been spending the summer in Europe has just returned and is spending the winter at the Moraine hotel. While in Europe he attended the Music Festivals at Bayreuth and Salzburg and visited colleagues in Berlin where he formerly studied at the Hoch-Schule.

Mr. Weisbach, who has been making his home in Lenox, Mass. for the past few years and is well known here in musical circles will doubtless be heard several times this season. He will also be remembered by the patrons of the Ravinia Opera Co. where he was a great favorite while playing in the orchestra. The last season there he also won great popularity conducting the Sunday afternoon concerts.

Word has been received of the marriage of Miss Winifred Zimmer, formerly of this city, to Mr. Edward Hintee. The young couple are making their home in Elizabeth, N. J.

**LEAGUE OF WOMEN  
VOTERS MEETING**

**Interesting Session Oct. 21 Is  
Addressed by Mrs. Dawson and W. J. Obee**

The Highland Park League of Women Voters met on Wednesday, October 21, at the Y.W.C.A. The board meeting was held in the morning, and it was voted to invite all members interested to come in at 11 o'clock after the business meeting to take part in its study hour which has proved so valuable that the board wishes to share it with as many members as care to attend.

Mrs. Raymond Simons, chairman of the committee on legal status for women, gave a resume of the laws affecting women in the exercise of her public rights, citizenship and suffrage, office holding and jury service, and of her private rights, including contract and property rights, age of majority, and those laws affecting marriage and divorce, family interests and inheritance. She brought out very clearly the long uphill struggle women have had and still are having in many states to gain an equality with men under the law. So much valuable information was packed into this paper (Continued on page 33)

**D. A. R. Better Films  
Committee Review**

The work of this committee is so new that it may be said to have only begun, but their is much encouragement to be derived from the strides already made. In some localities motion picture outfits are being supplied to schools that the valuable aids to the study of geography, history, science, and industries which may be had from various films, may be utilized. We feel that much has been accomplished in this locality by the willing cooperation of the local press and the manager of our own theatre, but we intend that the work shall go on to greater fields of usefulness in the future. The coming week brings a special feature for the children on Saturday when Mobet's Puppets will be shown in the "White Haired Prince." The picture on that day is "Swepestakes." This is a light exciting comedy with some scenes which preclude whole hearted endorsement. Eddie Quillan has the leading role. "Guilty Hands" Exceptionally fine acting makes this melodramatic murder-mystery interesting. The story is well handled, and has a very unusual ending. Its real appeal lies in Lionel Barrymore's acting. Adults.

"Waterloo Bridge" This tragic story written by Robert Sherwood is so vividly acted by Mae Clark, Kent Douglas and a fine cast, so well handled in its direction by James Whale and so beautifully photographed that it is well worth seeing. Adults. A little too mature for children, all right for youths. "I Like Your Nerve" Douglas Fairbanks Jr. and Ibetta Young in a rather mediocre vehicle of politics and romance. Not an adult only picture, may be enjoyed by youths but intelligent adults will find little value here.
