HOLD VISITING DAY ON NOVEMBER 12TH

National Education week, which will take place from November 9 to November 16, will have as its feature, conference night, November 12.

To usher in conference night, a dinner will be given in the cafeteria from six to seven, followed by a forty-five minute assembly program.

Mr. Sandwick to Speak

At this assembly Mrs. Gaidzik, the president of the P. T. A. will preside. She will introduce the speaker, Mr. Sandwick, who will speak on the subject "Is the Individual Lost in the Crowd?" She will also present the members of the board of education.

Following this, every faculty member will be in his room to confer with parents.

Music by School Band

Mr. Finch will lead the band in a few numbers for the assembly, and a violin duet and trio under Mrs. Mannings will be presented. Margaret Esmiz and Virginia Parenti will play a duet, and Ruth Pardee will join them in another number to make up the trio.

Members of the faculty who worked to make up this program for National Education week are Miss Whiteman, chairman, assisted by Miss Chester, and Mr. McNutt. They were assisted by the program chairman and publicity manager of the P. T. A., Mrs. Carl Pfanstiehl and Mrs. Hirsch, respectively.

Various P. T. A. members have expressed the desire that the program be similar to the one given last year, and it is believed that it not only will be as good, but will probably surpass it.

STUDENTS TO ATTEND PRESS GUILD MEETING

A group of journalism students are planning to attend the next meeting of the Greater Chicago Press guild which will be held soon at Northwestern university on Saturday, November 14.

The meetings are held for the purpose of discussing problems of school publications in the Chicago district.

Why Not?

A Western educator declares the college student doesn't need direction so much as a kick in the pants. Still, why not face the young man in the way he should go and let him have both?—Des Moines Register.
