CHARITY GAME

With Coach Wilson's Waukegan high school "pigskinners" winning game after game, terminated by a 28 to 0 victory over the Roosevelt Roughriders last week, the Deerfield bluebacks will have a plenty tough battle on their hands next Friday.

The game, which is to be played on Friday, October 30, will be fought out at the Waukegan athletic field at 4 o'clock. It will be a charity game for the benefit of Waukegan's needy.

Waukegan Plenty Tough

That Waukegan is plenty tough has been amply demonstrated. Their last battle, with Roosevelt, showed that. A fellow named Setrakian seems to be the boy with the punch. Anyways, he's running wild back there at right half.

Christenson, not the "Christy" of Deerfield, but Waukegan's left half, is also a boy with plenty of punch, especially with his foot.

Line Strong

Not only does Waukegan have a strong backfield, but their line has got plenty of beef, weight, and toughness.

Keely, the right end, gets right in, and does plenty to mess up plays otherwise good for gains. Follensbee, the center, also plays a good game, and will give Freddy Fell a nice time of it. At that, we bet Fell will give him the time of his life.

Freshman-Sophs.

Not only does Waukegan have a heavyweight team of note, but their freshman-sophs are also going places with plenty of vigor.

Killoran and Sapienza, the boys to watch, are in the backfield, while the Waukegan line is generally strong all over.

In spite of the fact that Waukegan boasts a powerful team, our bluebacks aren't going to be caught napping. Now that Harry Daugherty is back in the lineup, teamed with Christensen, Allen, and Garling, the backfield is ready to go places. Mac Lowe, Tommy Jones, and Cameron, are always ready to back up their good work.

The team's passing attack is functioning a lot better now, and Coach Peel is depending upon an aerial attack to win some touchdowns for him.

Bluebacks to Gallop

Though the blueback line is still rather light, inspite of the milk they are fed each evening, the boys are ready to get in and show the fight that they have demonstrated in former games.

With Bob Oldenberg, Gansberg, Peterson, and Pasquesi playing at guards and tackle, the Waukegan line is going to meet stone wall. Al Meyer, Park Johnston, and Joe Scassolati are responsible for the end positions, with "Stork" Rudolph also in there most of the time, opposing center, and see to it that Freddy Fell will take care of the

the ball is snapped back in right order.

Freshman-Sophs. Fighting Mad

Not only are the heavies a team to watch, but the members of that lighter blueback team, that team composed of freshmen and sophomores, are also going to be out there battling for the glory of the school.

Though the frosh-sophs are also handicapped by the lack of weight, they are always scrapping.

As Waukegan's team is plenty tough opposition the frosh will have a good fight on their hands, and will undoubtedly stage a battle well worth watching.

Hallowe'en Carnival on Saturday

As Deerfield-Shields' charity carnival will be held throughout the entire day on Saturday, the games are scheduled for Friday. This will give plenty of opportunity to those football fans who would go to Waukegan, were the game to be held on Saturday, to spend some of their money at the carnival.

Don't forget, the game is at the Waukegan athletic field, after school on Friday, at four o'clock.

Student: Send me over a selected bunch of gardenias, please; my brother is coming out today.

Florist (x-graduate): What was he in for?

He: Ruth, I'd die for you.

She: What are you waiting for?

**THREE DEERFIELD
 GRADS RECEIVE
 HIGH RATINGS**

Examination scores have been received from the University of Michigan concerning the excellent work done there by three of last year's graduates. The students are Whitney Lowe, Robert Ruwitch, and Howard Klee. The boys all received very high ratings, Whitney Lowe being the highest.

These examinations, given during "Freshman Week," included a psychological test and tests in mathematics and English.

Invited to Visit School

"It is my privilege to extend to you a cordial invitation to come to Ann Arbor on Tuesday, December 3, to confer with your graduates who are now freshmen, and to be the guest of the university at luncheon on the day of your visit," wrote Mr. Ira M. Smith, of the Registrar's office to Mr. Sandwick.

Daily Radio Program

Each school day during the year the University of Michigan broadcasts a program from two until two-thirty p.m. over station WJR. This year five afternoons will be given over for broadcasting helpful and interesting information for all high school seniors planning to enter the university. The dates of these programs are November 30, and December 1, 2, 3, and 4.
