BLUEBACKS BOW IN DEFEAT TO GRIDDERS AT WAUKEGAN FIELD

LOSE 21-0

With Setrakian, Price, and Stanczak (the boy with the mask) doing the driving, Waukegan's purple and gold warriors trampled over the bluebacks by a score of 21 to 0.

Penalties were frequently inflicted, mostly upon Waukegan, though this didn't help much in Deerfield's favor.

One of Deerfield's best chances came when Allen punted. The ball was blocked by a Waukegan man, recovered by a blueback, but for some reason or other, the ball was awarded to Waukegan.

Harry Daugherty, who was laid up for the past few games, was in uniform again, and did some great work. The boy with the mask was going places too many times, and Harry was sent in to stop him. He did.

Waukegan made its first touchdown in the first quarter.

Setrakian took the ball from his 43-yard line to Deerfield's 11-yard line on a sweeping end run. Three tries at the line resulted in first down and ten, and a line plunge put the nickskin over. Lindich caught a pass for the extra point.

In the second quarter, the two teams jockeyed back and forth. Waukegan was penalized fifteen yards for pushing, kicks, and returned to 15-yard line. Deerfield then got the ball, and kicked to her own 35-yard line. Waukegan took the ball, was thrown for a six yard loss, then ran to Deerfield's 21-yard line for first down. Setrakian, on an end run, put the "pill" over for Waukegan's second touchdown.

Numerous substitutes were sent in by both coaches during the third quarter, at which time Daugherty came in for Lowe.

With a twenty yard pass, caught by Al Meyers, which was quickly equalled by Waukegan intercepting a Deerfield pass, the game neared the end. Stanczak put the ball over for Waukegan's third touchdown, and made the score 21-0 with the extra point.

Fresh-Sops Lose

Though making eighteen first downs to Waukegan's two, the Deerfield freshman-sophomore squad lost by a score of 13-6. Devinski, Hurd, and Uhlman stood out in the backfield, with Julian and Axton starring in the line.

DR. RUGG SPEAKS TO PARENTS, TEACHERS ABOUT EDUCATION

JOINT P. T. A. MEETING

Mr. Kennicott Introduces the
Speaker to Meeting

Dr. Harold Rugg, educator, spoke last Thursday evening at the joint meeting of the P. T. A.'s of the high school district on the need of coordination and cooperation of the grammar schools with the high school. This plan is to make the process of education continuous from kindergarten to graduation from high school.

Dr. Rugg has been an educator for twenty-three years and is a professor of education at Columbia. During the war he was on the personnel commission of the U. S. Army. He has written several books, among which his "Culture and Education in America" has been very popular.

"When I was a boy I used to rise early in the morning and go to work in a weaving mill," said Dr. Rugg. "I ran four looms, and as far as one could see were men running four looms. Some time ago I went back and instead of one man at four looms there was one man at eighty looms. All these things have brought a change on the life of the world."

He told of two boys who came into his office one day and asked him why Indian troops under British officers should shoot Chinese in the streets. They showed him a newspaper which told about it. He said he couldn't answer it in the ten minutes before the bell nor in three hours.

"It is your problem to build up the education of our children so that they will be able to use what they learn and to reason things out for themselves," he said, and this was the point of his lecture.

"We cannot hope to accomplish this in the next generation, but I hope it can come about in the generation after it. It will require work and cooperation from everybody."

Mr. Kennicott was chairman of the meeting and introduced the speaker.

Mrs. Ball played several selections on the piano. Louie's Hungry Five, accompanied by Izzy Smith, announced the carnival held at the high school, after which Eddie Hargraves played on his harmonica.

There was an attendance of about nine hundred.
