

AN EXCITING BIT OF SCRIMMAGE

The freshman-sophomore team of Deerfield-Shields high school, under the direction of Mr. Thurston, is trying out a few new tricks as a part of their regular after-school practice.

TRADITIONAL FOES TO MEET AT FIELD OF NEW TRIERITES

If the Deerfield bluebacks play the kind of game they played in the Evanston contest last Saturday, those New Trier gridders are to have a hard game on their hands.

New Trier has defeated Proviso and Morton, tied Waukegan, and was defeated by Oak Park. Deerfield has been defeated by Oak Park, Proviso, and Waukegan, and has defeated Morton. This means that New Trier has two wins and a tie over Deerfield.

Strong Line

Now a few words about how good New Trier is.

Wolf and Preston are at the ends, and when the name Wolf is mentioned, it means business. If a back wants to send a pass, Wolf is the boy to send it to, and if the opposing back wants to throw one, Wolf will see that it doesn't go.

Opposing Gansberg and Petersen will be a couple of stalwarts by the name of Wache and Kimball, while the guard positions will be filled by Fleming and Ogan. Lind, the center, needs no introduction, as Freddy Fell will say if you ask him.

Jack Allen will be opposed by Nordberg at quarterback. Seiler, Foster, and Niccolazzi are the remainder of New Trier's "big guns" in the backfield, and those fellows know how to handle that ball.

"Friendly Enemies"

For many years New Trier and Deerfield have been flinging teams against each other with a do or die idea. To beat a New Trier team is quite an achievement for any team, but when a Deerfield team is triumphant—well the school is very happy indeed. In the good old days (1920 to 1926), the blueback school had teams that were as a rule unbeatable. For six straight years, Deerfield-Shields won over the New Trierites, but in recent years the conditions have been somewhat reversed.

The year of 1927 was the last time that a New Trier team has been vanquished by Deerfield. Since then, the boys from Winnetka have always been successful in winning games from the blue and white. Naturally, it means that the bluebacks are going to do some tall fighting to win their last game of the season.

The attendance at "away-from-home" games has been better than ever before, but the New Trier athletic field is only a little ways from Highland Park, and what we want is a larger cheering section than we've ever had before.

HEAVIES LOSE IN HOMECOMING BATTLE BY COUNT OF 13-25

TOO MUCH KEIN

Rudolph, Oldenburg and Allan Star for Deerfield

All the parading for Deerfield's homecoming game failed to stop Kein, Jackson, and the rest of the Evanston team from putting Deerfield on the wrong side of a 25-13 score.

Game Hard and Fast

The game was by no means a walk-away, and the home team's passing attack with Rudolph, Oldenburg and Allan was a constant threat to the "Wild Kits" throughout the contest.

Evanston started scoring early, with Hedbloom counting on several line plunges.

The game was a real "dog-fight" from then on until Rudolph took a long pass down an open field to tie up the score.

Jackson, the visitor's outstanding line plunger, refused to let the score stand and twisted his way through for another touchdown within the next three plays, leaving the score 12 to 6 at the half.

Deerfield Leads

Deerfield took the lead for a brief period in the third when Allan

caught a pass which bounced out of an Evanston man's arms and raced over for a touchdown. Rudolph kicked for the point, making the score 13 to 12 in the home team's favor.

The lead was short-lived, Kein carrying the ball for Evanston's third score. The extra point was also made.

Make Lead Sure

A six point lead did not seem too good to the "Wild Kits," and they elected Kein to assume the lead with the final count of the game, making the score 25-13 in their favor when the gun sounded.

RED CROSS TOTAL AMOUNTS TO \$81.52

As a result of a second Red Cross drive in the home rooms last Tuesday, the sum of \$69.50 which had previously been raised was increased to \$81.52.

It was the hope of the student chairmen, Mable Clark, and James Ewell that every session would be 100 per cent. This desire was not realized, but the following are the home rooms whose donations were 100 per cent: Miss Bredin's, Miss Connelly's, Miss Morgan's, Mrs. Martin's, Miss MacMartin's, and Mrs. Kendig's.

"Last year the Red Cross fund was smaller by \$26.52 than this year, and the students are to be congratulated upon their cooperation in making the drive a success," says Mrs. Kendig.

It's all right to talk about raising the tax on big incomes—if you can find any.

Coolidge has had his say but up to this time nothing has been heard from Al Smith.
