Then Your Turkey will cost you nothing!

Thanksgiving with FREE Turkey! Thanksgiving with a new heat controlled gas range! What a combination to give you more keen and genuine enjoyment! When you receive your Turkey FREE, you eliminate one of Thanksgiving's greatest expenditures. With most Thanksgiving spreads, the cost of the turkey is almost one-half the cost of the entire meal. But you can have a turkey without spending one cent for it. In addition, you will have a modern, heat controlled gas range (in one of many designs) for a small down payment that is about the price you ordinarily spend for a turkey. The balance of the gas range cost may be divided into 12 convenient monthly payments . . . so it is exceptionally easy for you to buy. This not

only is an opportunity to *save money . . .* but a chance to replace your present cook stove with an efficient, time and labor saving heat controlled gas range. **NEW LOW PRICES** prevail *now*. You never have seen such value as you now are offered in the latest gas range models. Their striking beauty and features that free you from useless kitchen toil will be fully revealed if you come in or telephone. Then . . . if you buy . . . **FREE Turkey** for your Thanksgiving dinner. Ask for all details **NOW**. No obligation to you.
