**COUNTY CHAIRMAN
HAS CONFIDENCE**

**Max Przyborski, in Letter,
Says He Believes Lake Co.
Will Remain Republican**

The following open letter from Max Prysorski, chairman of the Lake Co. Republican Central committee discusses the present political and economic conditions in the county, state and nation, asks a few pertinent questions and expresses confidence that Lake county will maintain its conservatism in politics in the 1932 campaign and election. His letter:

The Letter

I have been asked many times recently to express my views regarding the Republican Party situation in Lake county, and my opinion as to the effect of the recent Democratic organizations by certain individualizations will have in the 1932 Pri-uals and what weight these organ-ary and election.

I do not propose to be a forecas-ter of the results of any election which is as far away as the 1932 election, nor do I care to express any opinion at this time as to the newly organized Democratic organ-izations, however, I am satisfied that the citizenry of Lake county are familiar enough with the persons creating Democratic organizations and are intelligent enough to under-stand and know the ulterior motive of these persons, I have the utmost confidence in the citizenry of our county and know that when the proper time comes they will use their good judgment as they have in the past.

man of the Lake County Republican

**Fellowship Club to
Welcome Dr. Sherwin;
M. J. Insull, Speaker**

The December meeting of the Men's Fellowship club will be held on Tuesday, Dec. 3, at the Presby-terian church. Dinner will be served at seven following a half hour reception in the parish house.

The members of the club and their friends will be privileged to listen to one of our own townsmen, Mr. Martin J. Insull, president of the Middle West Utilities company, who will speak on the advances which have been made in serving the public by the Utility companies. He will also discuss the question of charges for this service, showing how reasonable it is and how inac-urate are the statements of our radical and irresponsible statesmen. Mr. Insull is a speaker of force and his talks are always most interest-ing. A large attendance is antic-ipated at this meeting and reserva-tions should be sent promptly by telephoning Highland Park 2176 or 683. At this same meeting the Rev. Louis W. Sherwin will be welcomed to membership in the club and its fellowship. Dr. Sherwin is pastor-elect of the Presbyterian church in Highland Park.

An invitation is extended by the club to all men in Highland Park and the surrounding towns to at-tend this meeting.

**Bazaar Held Friday
Is Successful Affair**

One of the most delightful and in-teresting events of the year was the bazaar and supper at the Highland Park Presbyterian church last Fri-day.

Inside the red doors on which were Chinese characters, sat a Chin-ese philosopher. A crowd stood around him while he painted names with a suitable proverb and lucky inscription.

Then there was the tea table with its fascinating array of pink, yel-low, and red cakes. Beautifully car-ved ivory beads, and pendants, gorg-ously embroidered silks and linens, intricate puzzles and an assortment of foods drew one from table to table.

An enthusiastic crowd patiently waited their turn at supper.

All in all the bazaar was a huge success and the Presbyterian Guild takes this opportunity to express its appreciation to all those who helped make it so.—Contributed.

**MRS. MARY B. EAST
NEW HIGHWOOD P. M.**

**Receives Temporary Appoint-
for Vacancy Caused by
by Death of Husband**

Mrs. Mary B. East, wife of the late Highwood postmaster, has re-
ceived a temporary appointment as
postmaster in Highwood, pending
the Civil Service examination, which
will be held later and in which any
eligible person can participate. A
permanent appointment cannot be
made until after such examination.

Mrs. East's appointment has al-
most universal approval and The
Press wishes to congratulate both
she and the people of Highwood on
this decision of the postoffice depart-
ment.

The following letter from Con-
gressman Chindblom speaks for it-
self:

Mr. Paul L. Udell,
Highland Park Press,
Highland Park, Ill.

Dear Mr. Udell:

In reply to your inquiry regard-
ing the vacancy in the postmaster-
ship at Highwood, I beg to say that
upon my recommendation Mrs.
Mary B. East, widow of the late
Mr. Herbert L. East, has been ap-
pointed acting postmaster pending
the holding of an examination for a
permanent appointment. Mrs. East
will take charge of the office as soon
as her bond has been approved.
Thereafter the U. S. Civil Service
commission will hold an examina-
tion for the creation of an eligible
list upon which the three passing
highest with the usual grade of not
less than 70 will be eligible for ap-
pointment.

It has been very gratifying to
note the universal approval and
commendation by the people of
Highwood of the services rendered
by Mr. East as postmaster in his
lifetime. The great feeling of loss
and regret caused by his death was
manifested by the large outpouring
of citizens at his funeral which it
was my privilege to attend.

I am certain that Mrs. East will
have the thorough good will and co-
operation of the people of Highwood
and of the employes in the post of-
fice in her continuation of the ad-
ministration of her late husband.

Yours very truly,
Carl R. Chindblom.
