

School Enrollment Shows Steady Rise

Since 1918, the enrollment of Deerfield-Shields has grown from 453 students to 1,334, the present enrollment.

A graph prepared by Mr. Richardson, the school psychologist, shows a steady climb in the enrollment since 1918.

Yearly gains show a jump from 453 in 1918 to 550 in 1919. In 1920 it jumped to 660, in 1921 to 677. A

slight loss from 677 to 670 occurred in 1922, the only drop in the chart.

An increase to 728 students occurred in 1923 and 759 in 1924. The graph line then climbs steadily higher, with 842 as the enrollment in 1925 and 919 in 1926.

The "1000 line" was topped in 1927 with 1055 students. This was followed by 1170 in 1928. In 1929 the students increased to 1212 in number.

Last year the figure was 1,312, an increase of an even hundred. This year, to date, 1,334 students have been enrolled.

BLUE AND WHITE TO PLAY 16 CAGE GAMES

Heavies Out for Revenge Because of Losses in Last Season

Now that the football season is over, Messrs. Peel and Thurston, D.-S. high school coaches, are getting the boys who toss the pill through the hoop into shape. Thus far, the lights, under the tutelage of Solly Thurston have done a little practicing, and Coach Peel's basketballers took the floor for the first time yesterday.

This year's schedule has a notable array of opponents ready for anything that the blueback team can muster. Ten games will be played this semester, while the remaining six will take place between February 6 and March 4.

Sixteen Games On Tap

Libertyville, that small but athletic-minded school, will be the first tilt for our hoopers. As all the games to be played are both for the heavy and lightweight teams, this game will be no exception.

The game will be played on December 8, at 4 o'clock, in the Libertyville gym.

Three days later, our "long time" friendly enemies from Chicago, University high, will come to Deerfield for revenge in the light division, and hoping to win another game in the heavy section.

Last year, with Leo Zanier leading the attack, the lights won a fast game by a score of 21 to 0. A slow heavyweight game followed in which the "U" high heavies took ours for a 24 to 11 win.

The game is at Deerfield, Friday, December 11, at 7:30.

Libertyville Again

A return tilt with Libertyville will be played on Tuesday afternoon, December 15. The game will be played at Deerfield.

Our first league game takes place with Proviso high school on December 18.

Two victories were scored by Thurston's quintet over Proviso last year, the lights winning 27 to 20, and 35 to 20. The heavies lost both games.

December 18, Friday night, and at the Proviso gymnasium is all the dope.

Our good friends of Morton are our first opponents to start the New Year.

More to Come

These games are only a few of those to come, but the others will be printed and talked about later. If you want to know when a game is to be played, look at the schedule and figure it out for yourselves.

Neavitt Returned to County by Sheriff

Herbert Neavitt, fugitive Highland Park auto dealer arrived in Waukegan early this week from Miami, Fla., in custody of Sheriff Lester Tiffany. Neavitt waived extradition and returned without protest.
