Girl Reserve News

The "Sunshiners" first "Once a month work and play group" had its first meeting last Saturday, Nov. 21 at the Y.W.C.A. No charge is connected with this class, it is well supervised by the Girl Reserve secretary, Mrs. McManus and will be assisted by others who feel it a pleasure to be able to work with younger girls.

At this Saturday "Once a month group" the child will learn to play with others under supervision.

"Sunshine Clubs" are younger girl groups for girls of the 2nd, 3rd and 4th grades sponsored by the Y. W. C. A. The meetings are held once a week.

The "Sunshiner" code is "Look up, laugh and love." No dues are connected with the weekly meetings. Each club has officers. In this way even little folks can learn to live and play with others, besides having this social advantage.

Two clubs are organized in Highland Park. "Y" Sunshiners meet at the Y. W. C. A., on Mondays at 3:30, Green Bay group meet on Fridays at the Green Bay school at 3:30. Each group is well supervised by an advisor who feels it a pleasure to be a leader of younger girls and eager to help build up little characters.

Every mother is invited to visit any group and the "Once a month work and play group" any time. Mothers are always welcome at the Y.W.C.A.

A gift sewing class will be started Thursday, December 3, at the Y.W.C.A., at 4:00 o'clock for all Girl Reserves. Miss Margaret Edwards of the Singer Sewing Machine Co. of Waukegan, Ill., will instruct the class.

Here is a chance for every Girl Reserve to learn how to make charming Christmas gifts. This course will include stuffed animals, pillows, aprons, luncheon sets, etc. Registration is limited to twelve members and a small fee of 25 cents will be charged. The limited membership is limited because it is too difficult to teach a larger group. Five electric sewing machines will be used in this class. Girl Reserves are urged to use this advantage of learning how to make charming gifts.

"Splash" Girl Reserves next Saturday. The swimming class is growing. Get in it now. Girl Reserves have the swimming pool of the Deerfield-Shields high school every Saturday at 11:15. Swimming lessons are given every week. Join in the fun every Saturday and learn more about the art of swimming.
