COLLEGE NIGHT PROGRAM JAN. 9

So that the students may have the opportunity to find out the courses, facilities, requirements, and general life in the school which they are considering attending, the P. T. A. is sponsoring a college night program on January 9.

Students will indicate their preferences of schools which they would like to have represented at college night in questionnaires to be sent around to the sessions today. College night will take the place of the January meeting of the P.T.A.

In the afternoon from 3:20 to 5:00 p. m. the students may consult the representatives from the various colleges. Then supper will be served to the representatives in the cafeteria. From 7:30 to 8:30 p.m. there will be a program in the auditorium in which various types of colleges will be discussed by members of their alumni. After the program the students and their parents may consult the representatives in the rooms in the East building.

DEERFIELD-SHIELDS RIFLEMEN VIE FOR RIFLE CHAMPIONSHIP

**Winner of National Matches to
Receive Big Silver Cup
as Trophy**

With only the Edward Little Junior Rifle club of Auburn, Maine, between them and the championship of class "B" in the National Bi-Weekly rifle matches, the Deerfield-Shields' riflemen are striving hard to top the Maine shooters in the final match which is to be shot soon.

Winner to Receive Trophy

If our riflemen manage to win the championship of class "B," they will be awarded a big silver trophy.

"If we win the last match of the series," stated Jim Butterworth, Deerfield captain, rather optimistically, "it will give us first place over about thirty other teams. From the way things are going now, it seems that we shall win the match, for with more than half of the final targets fired the team has set a new season record."

Two Teams are Tied

Because the Auburn, Maine, and Deerfield-Shields' teams are tied, the next match will decide the championship. The two teams have tied three matches which indicates that the teams are very evenly matched.

Following are the scores of Deerfield-Shields' riflemen in fourth match of the first series in the National Bi-Weekly matches.

Jim Butterworth	99x100
Dick Gault	97x100
"Wham" Hamilton	97x100
Tom Bradford	96x100
Charles Nichols	95x100

Total 484x500

To Shoot Against Iowa City

Although Deerfield's sharpshooters have won two close matches from the Iowa City high school, they are anticipating another hard contest with them when the two crack squads meet again in the near future.

Last Saturday the Deerfield shooters beat the rifle team of Country Day school of Winnetka.

Well, if John Bull joins the protectionists nations, where are the free traders going to go and be able to feel at home?
