# CHILDREN'S PLAY TO BE GIVEN SATURDAY

(Continued from Page 1)

nurse (who is also a dog) is help-  
ing Wendy, John, and Michael, the  
baby, prepare for bed. Soon Peter  
flies in thru the window and after  
some conversation with Wendy, he  
teaches the children to fly, and away  
they go to the Never Land, the  
home of all those Lost Boys, who  
fell out of their buggies when their  
nurses weren't looking and who  
never were found again.

### Exciting Tale

From this point the story is too  
exciting to tell in detail. But  
everyone will want to watch for  
Captain Hook and his pirate band  
and for the good Indians led by  
Tiger Lily who try to protect Peter  
and his Lost Boys. There are thrill-  
ing fights between pirates and In-  
dians, the sad plight of poor Tinker  
Bell (be sure to remember to clap  
when Peter asks if you believe in  
fairies!) and finally the great tri-  
umph of Peter over Captain Hook,  
and the homecoming of Wendy and  
her brothers.

"Peter Pan" has not been seen in  
the Chicago district in many years,  
and those parents who remember  
seeing Maude Adams as Peter, will  
be just as anxious to attend them-  
selves as to have their children go.  
The cast which has been most care-  
fully chosen is an excellent one and  
Miss Winifred Ward, directress of  
the Evanston Children's theatre  
which has produced the play, calls  
it one of their most successful pre-  
sentations.

### Tickets on Sale

Tickets for all three plays may  
still be purchased this week and a  
considerable saving is effected in  
so doing. Season tickets are on  
sale at all the schools and at Gsell's  
drug stores in Ravinia and Highland  
Park. Single tickets will be on  
sale at the door on Saturday, and  
before the other two plays likewise.  
Everyone will want to see all three  
of them, so buy your tickets today.  
But particularly remember that  
"Peter Pan" and the fairies will be  
in town this Saturday!

## Local Students at L. F. Academy Given Football Honors

James A. Harrison, son of Mr.  
and Mrs. H. A. Harrison, of Deer-  
field, William S. Nunn, son of Mr.  
and Mrs. Herbert E. Nunn, 368  
Moraine road, and George R.  
Schwalbach, son of Mr. and Mrs.  
George S. Schwalbach, have been  
awarded varsity football sweaters at  
Lake Forest academy. Harrison  
at fullback, Nunn at halfback and  
Schwalbach at left guard, were  
mainstays on the Lake Forest eleven  
throughout the season.

Roland T. R. Hastings, Jr., son  
of Mr. and Mrs. R. T. R. Hastings,  
220 Dale avenue, Hugo Sonnen-  
schein, Jr., son of Mr. and Mrs.  
Hugo Sonnenschein, 327 Egandale  
road, and Chris Keller, son of Rev.  
and Mrs. Christoph Keller, 340 Pros-  
pect ave., were awarded Orange and  
Black clubs football sweaters at  
Lake Forest this year. The Orange  
and Black clubs competition is entire-  
ly intra-mural, and membership on

one of these club teams is one of the  
most highly coveted athletic honors  
obtainable in the school.

Stuart P. Harwood, son of Mr.  
and Mrs. G. A. Simpson, 222 Laurel  
avenue, Hamilton Herman, son of  
Mr. and Mrs. R. E. Herman, 328  
N. Linden ave., Sherman Keller, son  
of Rev. and Mrs. Christoph Keller,  
340 Prospect avenue, and George  
Nunn, son of Mr. and Mrs. H. E.  
Nunn of 368 Moraine road, have  
been awarded bantamweight foot-  
ball sweaters at the Lake Forest

school, while J. Russell Holmes, son  
of Mr. and Mrs. S. S. Holmes, 903  
N. Sheridan road, and Henry B.  
Vail, son of Mr. and Mrs. Roger S.  
Vail, 217 E. Laurel avenue, received  
lightweight football sweaters. Henry  
Vail was manager of the light-  
weight team. Competition for mem-  
bership on the bantamweight team  
is confined to boys weighing not over  
110 lbs., and eligibility for member-  
ship on the lightweight team is con-  
fined to boys of the 110-135 lbs.  
class. These teams compete with

the lightweight and bantam weight  
elevens of other schools, thus afford-  
ing outside competition for those  
boys who are too light to "make"  
the varsity.

### Fire Department Responds

The local fire department respond-  
ed to two calls yesterday afternoon.  
An electric wire falling in back  
of Walgreen's drug store was the  
first call, and an automobile fire was  
responsible for the second call.
